

## Double Kelly Sconce

The Double Kelly sconce is playful little sconce with two colored cone shades and small curved arms. It has two E26/medium base sockets. The raw brass will develop a patina over time or can be polished occasionally to retain it's beautiful brassy sheen. We love these sconces as a pair in a bathroom remodel or in a long hall as accent lighting. The fixture can be installed with the cones facing up or down. Made to order by our team of light makers in New Orleans, LA. UL Listed for dry locations, indoor use. Damp rated sockets available by request.

### DIMENSIONS:

- Overall Width: 14"
- Overall Fixture Height: 8"
- Overall Depth: 10.5"

### MOUNTING:

- Location: Wall
- Weight: 2.75 lbs
- Canopy: 5"
