Atlantick Signature Blends

Woodland Wanderer 15ml

PRODUCT INFORMATION

Composed of oils we have studied and appreciate for their repellency and other health and wellness benefits. Blends are pure, high-quality, therapeutic-grade oils that we have sourced ethically and diligently screened for impurities.

Atlantick Signature Blends were designed for use with the Atlantick Portable Air Infuser, our waterless ultrasonic space infuser. Always make sure to provide adequate airflow and exits with indoor use.

USES

- Diffuse Citrus Sun or any of our Signature Blends with the Atlantick Portable Air Infuser, taking care to ensure there are open airways and exits if/when used indoors.
- Use with your favourite diffuser jewellery or lava bead accessory to carry the scent with you throughout the day.
- Dilute with water to create your own refreshing room spray.
- Put a few drops on wool dryer balls to add the refreshing scent of Citrus Sun to your laundry.

CAUTIONS

For external use only, this is considered toxic if taken internally. May cause skin irritation in some individuals, so a skin test is recommended prior to use. Avoid contact with eyes. Avoid use during pregnancy.
