Extracts of: Milk Thistle Seed ( <i>Silybum marianum</i> ), Dandelion Leaf ( <i>Taraxacum officinale</i> ), Ginkgo Leaf ( <i>Ginkgo biloba</i> )		
BioPerine® (Black pepper fruit ( <i>Piper nigrum</i> ) extract)	1.33 mg	†

† Daily Value (DV) not established.

**Other Ingredients:** Microcrystalline cellulose, vegetable capsule (natural vegetable cellulose, water), L-Leucine.

### What is it?

**Detox Complete®** is a comprehensive, total-body detox formula containing a diverse selection of botanical extracts, powerful antioxidants, and targeted nutrients including essential vitamins and minerals. A small amount of BioPerine® black pepper extract aids in nutrient absorption and bioactivity.

### Who can benefit from it?

**Detox Complete** offers system-wide benefits for adults seeking detoxification and antioxidant support.\*

### What can you expect?

**Detox Complete** delivers vital support for the body's natural detoxification systems and toxin elimination processes. It can also help to reduce oxidative stress associated with toxic body burden and support vital energy levels during detoxification. As part of a healthy detox program, people often feel greater vitality and overall wellbeing as the body's ability to safely and efficiently metabolize and eliminate toxins and metabolic waste improves.\*

### Nourish Your Body Without Compromise

- Vegan
- Gluten-Free
- No Artificial Ingredients
- No Egg
- No Fish
- No Milk
- No Peanuts
- No Shellfish
- No Soy
- No Tree Nuts
- No Wheat

## How does it work?

**Detox Complete** supports cellular and genetic functions that play key roles in the elimination of toxins absorbed from food, air, water and the environment. Targeted ingredient blends complement each other to deliver comprehensive support for the liver, kidneys, skin and other organs to eliminate toxins. Amino acids, essential nutrients and botanicals enhance antioxidant synthesis and defend against oxidative stress caused by toxic body burden. B vitamins support critical metabolic and detoxification functions and antioxidant activity, and supportive cofactors (e.g. trimethylglycine, L-methionine, and calcium D-glucarate) promote optimal detoxification activity.\*

## How do you take it?

Take 2 capsules, 1 time per day with meals, or as recommended by your healthcare practitioner.

## Are there any precautions?

Consult your healthcare professional prior to use if you have or suspect a medical condition, are taking any medications, or are nursing, pregnant or considering pregnancy.
