### What is it?

With over 35 years of research and over 25 clinical studies, **Padma Basic® Professional** helps promote overall cardiovascular and arterial functions increasing circulation to the extremities and helping to improve comfort and stamina while walking. Clinical research also shows that **Padma Basic® Professional** promotes healthy blood flow in the lower extremities and longer comfortable walking distances.\*

**Padma Basic® Professional** is a Swiss-made blend of 21 dried and milled botanicals and nutrients based on an ancient Tibetan formula. It contains a variety of plant compounds with potent bioactivity, including essential oils, flavonoids, and tannins.

### Who can benefit from it?

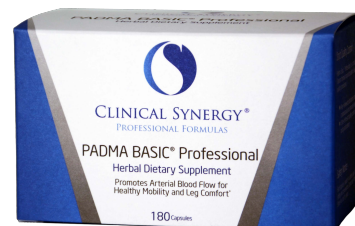

**Padma Basic® Professional** is ideal for those who need cardiovascular support, lower extremity circulation, and want to maintain mobility and comfort when walking.\* It is also ideal for daily use, shown in multiple studies to work best when taken for more than 3 months to support circulatory health, healthy blood pressure, and improved walking distances.\*

### What can you expect?

**Padma Basic® Professional** is shown to promote comfortable mobility through walking.\* It provides a safe and gentle “cooling” effect, based on the ancient concept of Tibetan medicine. This formula supports balancing of systems and functions in the body.\* It is available in convenient blister packaging for daily use.

### Nourish Your Body Without Compromise

- Non-GMO
- Gluten-Free
- No Artificial Ingredients
- No Egg
- No Fish
- No Milk
- No Peanuts
- No Shellfish
- No Soy

## How does it work?

As a polynutrient compound, **Padma Basic® Professional** has multiple complex mechanisms to provide supportive multisystem functions. The unique herbal formula displays interesting properties throughout the body, as it can support hundreds of different gene functions. This type of synergistic effect is unique to multicomponent supplements and provides comprehensive full-body support.\*

## How do you take it?

For long-term maintenance, take 1 capsule, 2 times daily, on an empty stomach, or as directed by your healthcare practitioner. If you experience any stomach discomfort after taking the capsules, try taking them with food.

## Are there any precautions?

Consult your healthcare professional prior to use if you have or suspect a medical condition, are taking any medications, or are nursing, pregnant or considering pregnancy. Take at least 30 minutes away from other supplements or prescriptions.

**Padma Basic® Professional** works well with:

- PectaSol-C® Professional
- Comprehensive Circulation Support
