**Servings per Container:** 60

Amount Per Serving	% DV
<b>Pure Honokiol</b> (98% Honokiol extract from <i>Magnolia officinalis</i> bark)	500 mg †

† Daily Value (DV) not established.

**Other Ingredients:** Tapioca starch, vegetable capsule (vegetable cellulose, water), stearic acid, vegetable cellulose, silicon dioxide.

**Suggested Use:** As a dietary supplement, take 1-2 capsules, 2 times per day, preferably with food, or as directed by your healthcare practitioner.

### What is it?

**Clinical Synergy<sup>®</sup> Pure Honokiol** is a standardized herbal extract providing 98% pure honokiol, the highest purity honokiol available, isolated from the bark of *Magnolia officinalis*. Magnolia bark has a long history of use in traditional Asian medicine, and honokiol is its most widely researched active constituent.

### Who can benefit from it?

**Pure Honokiol** is ideal for both women and men who want to promote relaxation, healthy mood and support cellular health.\*

### What can you expect?

**Pure Honokiol** provides gentle, yet effective, herbal support to help promote relaxation and healthy mood — without dependency or next-day drowsiness. It also has many mechanisms of action that support optimal cellular function.\*

### Nourish Your Body Without Compromise\*

- Drug-Free
- Gluten-Free
- No Artificial Ingredients
- No Egg
- No Fish
- No Milk
- No Peanuts
- No Shellfish
- No Soy
- No Tree Nuts
- No Wheat
- Vegan

## How does it work?

In the body, honokiol targets multiple signaling pathways to promote healthy cell division and growth, and support optimal cellular function which in turn promotes cardiovascular, metabolic and neurological health. In the brain, honokiol enhances the activity of GABA, a brain messenger that helps promote relaxation and positive mood.\*

## How do you take it?

As a dietary supplement for positive mood and relaxation, take 1-2 capsules, 1-2 times daily, preferably with food, or as directed by your healthcare practitioner.

For cellular health benefits, take 2 capsules, 2 times a day, or consult your healthcare practitioner for individualized recommendations.

## Are there any precautions?

Talk to your healthcare professional prior to use if you have or suspect a medical condition, are taking any medications, or are nursing, pregnant or considering pregnancy. Do not exceed recommended dose. Do not take when operating machinery or driving a vehicle. Combining with alcohol, medications or herbs with sedative properties may increase the risk of drowsiness and impair motor reflexes. Some sensitive people may experience an allergic rash or itching, or digestive upset and diarrhea. Discontinue use and symptoms should resolve within 24-48 hours of discontinued use.

**Pure Honokiol** works well with:

- PectaSol-C® Professional Modified Citrus Pectin
- RegeneRest®
