What is Women's Longevity Essentials Gold?

Women's Longevity Essentials Gold is more than a standard multivitamin. This unique formula blends essential vitamins, minerals and cofactors, together with targeted botanicals, antioxidants and other ingredients to support women's daily nutritional needs through the transition of menopause and beyond.*

- Formulated for Women in Perimenopause, Menopause and Beyond*
- Contains Essential Vitamins and Minerals, and Botanicals*
- Supports Daily Wellness*

Daily Wellness Support during Menopause and Beyond

This comprehensive nutritional formula is a unique combination of 51 targeted ingredients including essential vitamins and minerals, cofactors, antioxidants and botanicals. Women's Longevity Essentials Gold offers daily support for the increased nutritional requirements of women during and after menopause. With powerful herbal-nutrient blends, this advanced

nutritional formula also promotes healthy hormone balance, vital energy, metabolic efficiency, bone health and more.

Vitality, Endocrine and Metabolic Support Blend

Women's Longevity Essentials Gold combines unique ingredients including angelica extract, motherwort, hawthorn fruit, damiana flower, medicinal mushrooms, royal jelly, black cohosh, ginseng, ginkgo, coenzyme Q10 and others, to offer comprehensive support for healthy hormone balance during and after menopause. This blend also supports metabolic health and helps maintain vital energy levels throughout the day.*

Bone Support Blend

Chaste tree extract, glucosamine and horsetail are included in Women's Longevity Essentials Gold, to provide daily nutritional support for healthy bones and joints.*

Antioxidant Blend

Potent antioxidants choline, hesperidin, inositol, cranberry extract and resveratrol help combat free radicals and support key areas of health, including cellular health, immunity, cognitive function and cardiovascular wellness.*
