

# Eight Tips for Rounding Corners with a Reactive Dog

- 
- 1) Remain calm
  - 2) Proceed with caution
  - 3) Use your body to walk up the leash before you approach the corner  
(*Do Not Pull or Jerk on the Leash*)
  - 4) Have two hands securely on the leash
  - 5) Take corners wide
  - 6) Go before the dog
  - 7) Have tasty treats ready for placing directly under their nose for luring.  
in case of emergency
  - 8) Use your body as a blocker by placing yourself in-between the dog  
and any potential triggers

*R*emember that your dog is not giving you a hard time, they are having a hard time.
