What Do I Do When My PUPPY is CHEWING on Something They Shouldn’t?

1. **REDIRECT** by excitedly saying their name and patting your knees.

2. **REDIRECT** with a toy by waving it on the ground in front of them.

3. **LURE** with tasty treats.

4. **GENEROUSLY REINFORCE** when they successfully stop AND offer them something appropriate to chew on!

5. **PREVENT** future accidents by not enabling access.

6. **TEACH DROP IT.**

7. **DON’T PUNISH!**
