

Your Printable Ring Sizer

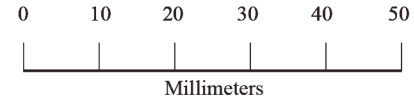

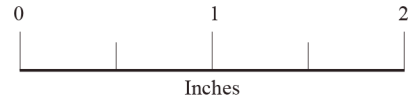

You can have your finger sized at a jeweler but if that is not possible we've created this printable ring sizer for you.

Step 1:

Print this page ensuring your printer is set to print the page at 100%. You should find this in "Page Set Up".

Step 2:

Check that your print out is accurate by comparing the measurements here with a ruler.

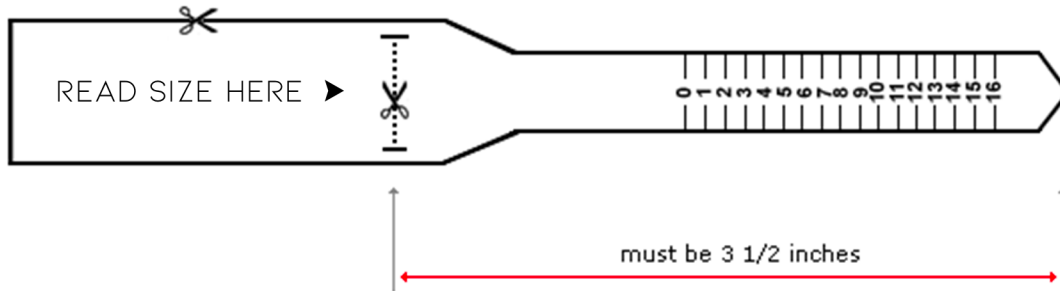

Size Your Finger

If you do not have a ring that fits the finger you are shopping for please use this ruler to determine the appropriate size.

After cutting out the ruler below, carefully cut the highlighted line to create a slit.

Wrap the ruler around the base of your finger and pull the narrow end through the slit.

To ensure a comfortable fit we recommend also measuring your knuckle.

Size A Ring

Use a ring that fits the finger you wish to size.

Place the ring on the circles until you find one where the black circle touches the inside of your ring all the way round.
