PROTECT YOUR WARRANTY!

**** TIGHTEN ALL 6 SCREWS ****

WARRANTY VOID IF WATER ENTERS CUBE

Turn over for instructions to activate the solar light.

CAUTION: Do not over-tighten screws

TO ACTIVATE THE SOLAR LIGHT REMOVE THE BATTERY PULL-TAB

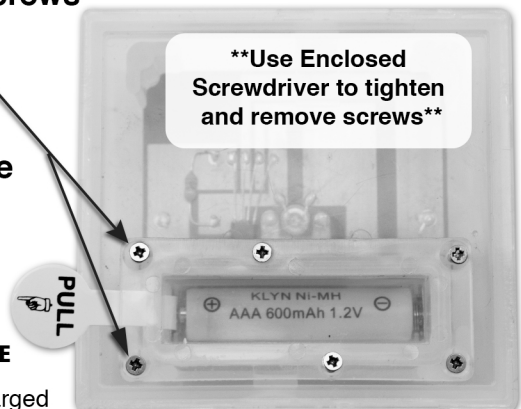

Your Let's Edge It!® Solar Cubes have been shipped with protectors to keep the battery fresh. You need to remove them prior to use from the underside of each Solar Cube..

- 1 Loosen only the first 2 screws
Do not remove
- 2 Remove tab by pulling out completely
Be careful not to dislodge the battery
