SEÑOR

Maintain your competitive edge with the cSPOS

Leveraging on Senor's wealth of experience and technology know-how, the cSPOS brings the next level of innovation and precision to deliver greater efficiency, productivity and quality output.

Boasting a sleek bezel-less screen, the cSPOS complements and enhances the aesthetic surroundings whilst combining the differential advantages of a Senor product to boost commercial activities in a result-driven market.

A fanless and ventless all-in-one touch system enclosed in a heat-dissipating solid aluminium die-cast casing, the cSPOS is rated IP54, certifying high protection against liquid and dust particles to provide for durability and sustainability.

Providing enhanced safety features, the cSPOS has concealed mounting hardware and internal cable management, alongside sophisticated designs, giving your point of sale hardware a professional and state of the art finish.

Space is no longer an issue with the ultimate all-in-one POS solution, the cSPOSWP

The cSPOSWP gives the autonomy of self-service on an engaging platform. Packed full of features and chic in style, the cSPOSWP builds onto the operating parameters of the cSPOS and adds a high-performing thermal printer within a sleek enclosure.

The cSPOSWP offers a polished design with minimal clutter, ideal for point of sale work spaces.

Features
