

## TECHNICAL DATA SHEET

### BN6490

For sealing, bunding, palletizing and storage of bulky and heavy packages.

Backing	Polypropylene
Total thickness	110 µm
Colour	Blue
Adhesive	Natural rubber and resins
ADESHION TO STEEL <i>AFERA 4001-ED.10/87</i>	300 cN/cm)
MD TENSILE STRENGTH <i>AFERA 4004-ED.9/79</i>	30 daN/cm
MD ELONGATION AT BREAK <i>(AFERA 4005-ED.9/79)</i>	20 %
Shelf life	The tape can be stored for maximum 6 months from the date of production in dry conditions and in its original packaging. The material should be protected from extreme temperatures and direct sunlight. Once removed from its original packaging, the tape should be protected from dust and other impurities.

#### Features:

- Mono-oriented polypropylene backing
- Single air-proof bag

#### Advantages:

- High tensile strength
- holds safely packages and wrappings
- Dust and humidity proof
- Long lasting product

The above given information should be considered as a guide but cannot be considered as binding and company accepts no liability. It is the customer responsibility to check if the material is suitable for its application. Please see "Guide to storing and application".
