

FIRST WAVE™ Oil-to-Foam Cleanser

PRODUCT DESCRIPTION

As the first step in the äKwä skincare regimen, First Wave offers a fresh start. Its gentle oils lift away debris before transforming into a foaming cleanser. Splash with water for a perfectly pristine and pleasantly soft finish.

WATER SOURCES

- **Fermented green tea water** (*Camellia sinensis* leaf water/ *Saccharomyces* ferment) cleanses, moisturizes, brightens, firms, and sustains skin in the face of various daily stressors.
- **Sea water** creates luscious silky bubbles, refreshes and soothes delicate skin around the eyes, and retains critical moisture.

Cultivated in the Boseong region of Korea, our green tea is grown in an area renowned for possessing Korea's largest tea fields due to its perfect soil and climatic conditions. Tea fermentation has a long and rich history in this region. Creating fermented tea water is a two-phase process that uses traditional natural and lactic acid fermentation techniques to yield the finest result for more potent ingredient levels.

KEY INGREDIENTS

- **Rice ferment extract** sustains skin, moisturizes for a smoother texture, and promotes surface elasticity and brightness.
- **Pumpkin fruit extract** helps create a polished, pristine-looking skin surface by settling and brightening the skin.
- **Aloe, sunflower seed oil, and olive fruit oil** cool and soothe with plant remedies that calm and condition the skin.
- **Proprietary Deep Cleansing Complex** of bioflavonoids, broccoli extract, and aloe purifies and refines pores, exfoliates the skin, and controls sebum levels.

FEATURES

- Glides on as a light oil, then transforms into a luscious silky lather that rinses clean
- Provides a paraben-free, sulfate-free, and phthalate-free formula
- Features a cruelty-free formula that's never tested on animals
- Is kind to your skin and the environment
- Provides a gluten-free and vegan formula
- Is tested by dermatologists for mildness
- Features an all-natural fragrance
- Does not bully your skin into submission with harsh chemicals or compromise long-term skin health for a short-term effect

BENEFITS

- Cleanses the skin with a dual effect (oil + foam, two-in-one cleanser)
- Dissolves even the most stubborn face and eye makeup, excess sebum, and grime
- Purifies pores, normalizes sebum levels, and gently refines skin
- Leaves skin feeling fresh and firm without tightness
- Suits most skin types

FIRST WAVE Oil-to-Foam Cleanser

DIRECTIONS:

Lightly massage one to two pumps onto dry skin, covering your entire face and taking care to avoid getting product into your eyes. Add room temperature water, lather up, and rinse. Pat dry. Follow with Glacier Glow™ Four-Way Toner.

INGREDIENTS:

Water, glycerin, dipropylene glycol, coco-betaine, coco-glucoside, acrylates copolymer, polyglyceryl-10 laurate, sodium methyl cocoyl taurate, 1,2-hexanediol, *Camellia sinensis* leaf water, sea water, rice ferment filtrate (sake), *Cucurbita pepo* (pumpkin) fruit extract, *Saccharomyces ferment*, bioflavonoids, *Brassica oleracea italica* (broccoli) extract, *Aloe barbadensis* leaf extract, *Helianthus annuus* (sunflower) seed oil, *Olea europaea* (olive) fruit oil, *Geranium maculatum* oil, *Citrus aurantium bergamia* (bergamot) fruit oil, *Cymbopogon martini* oil, *Lavandula angustifolia* (lavender) oil, *Citrus junos* fruit extract, *Pinus densiflora* leaf extract, *Anthemis nobilis* flower oil, *Artemisia annua* extract, *Citrus aurantium dulcis* (orange) peel oil, ethylhexylglycerin, potassium cocoyl glycinate, sodium chloride, tromethamine, potassium cocoate, propanediol, caprylic/capric triglyceride, disodium EDTA, sodium lauryl glycol carboxylate, caprylyl glycol, and butylene glycol.
