

LAVAPURE™ Volcanic Mud Mask

PRODUCT DESCRIPTION

Like the geothermal waters that rise from volcanic beds, LavaPure renews, refreshes, and energizes your skin's appearance. Volcanic properties pull toxins to the skin's surface for a purifying experience.

WATER SOURCES

• Fermented green tea water

(*Camellia sinensis* leaf water/
Saccharomyces ferment) cleanses,
moisturizes, brightens, firms, and
sustains skin in the face of various
daily stressors.

Cultivated in the Boseong region of Korea, our green tea is grown in an area renowned for possessing Korea's largest tea fields due to its perfect soil and climatic conditions. Tea fermentation has a long and rich history in this region. Creating fermented tea water is a two-phase process that uses traditional natural and lactic acid fermentation techniques to yield the finest result for more potent ingredient levels.

FEATURES

- Provides a paraben-free, sulfate-free, and phthalate-free formula
- Features a cruelty-free formula that's never tested on animals
- Is kind to your skin and the environment
- Provides a gluten-free and vegan formula
- Is tested by dermatologists for mildness
- Does not bully your skin into submission with harsh chemicals or compromise long-term skin health for a short-term effect
- Features an all-natural fragrance

BENEFITS

- Applies as a sumptuous, blue-grey mud that dries to a rich blue-black
- Refines the skin and reduces the appearance of pores without over-drying
- Gently removes debris and exfoliates to improve skin's texture and brighten the complexion using naturally derived ingredients such as walnut shell powder and apricot seed powder
- Suits most skin types

LAVAPURE

Volcanic Mud Mask

KEY INGREDIENTS

- **Volcanic ash** deeply cleans, draws out impurities, purifies the skin's surface, and refines pores for an even surface look, feel, and visual texture.
- **Walnut shell powder and apricot seed powder** gently, yet deeply clean, exfoliate, and brighten the look of the complexion.
- **Proprietary Deep Cleansing Complex** of bioflavonoids, broccoli extract, and aloe purifies and refines pores, exfoliates skin, and controls sebum levels.
- **Soybean (*Glycine max*) seed extract** also known as black soybean extract, smooths the skin's texture with powerful amino acids.

DIRECTIONS:

After cleansing skin, apply to face, extending to neck and chest if desired. Avoid eyes, nostrils, and mouth. Let dry for 5 to 15 minutes. Then, add water and massage gently to exfoliate. Rinse clean. To use as a spot treatment, dab on problem area, allow to dry, and rinse. Follow with Glacier Glow Four-Way Toner on a cosmetic pad, sweeping across treated area to remove any remaining mud.

- ***Coix lacryma-jobi ma-yuen* seed extract** contains an abundance of nutrients like leucine, glutamic acid, valine, and tyrosine that help soften, smooth, and purify the look of the skin. It also has a moisturizing effect to help skin look bouncy, fresh, and luminous.

INGREDIENTS:

Camellia sinensis leaf water, kaolin, glycerin, bentonite, butylene glycol, magnesium aluminum silicate, charcoal powder, 1,2-hexanediol, volcanic ash, *Coix lacryma-jobi ma-yuen* seed extract, *Prunus armeniaca* (apricot) seed powder, *Juglans regia* (walnut) shell powder, *Glycine max* (soybean) seed extract, bioflavonoids, *Aloe barbadensis* leaf extract, *Oryza sativa* (rice) extract, *Oryza sativa* (rice) bran extract, *Sesamum indicum* (sesame) seed extract, *Geranium maculatum* oil, *Avena sativa* (oat) kernel extract, *Pinus densiflora* leaf extract, *Citrus junos* fruit extract, *Artemisia annua* extract, *Lavandula angustifolia* (lavender) oil, *Citrus aurantium bergamia* (bergamot) fruit oil, *Saccharomyces ferment*, *Cymbopogon martini* oil, *Brassica oleracea italica* (broccoli) extract, *Phaseolus radiatus* seed extract, *Anthemis nobilis* flower oil, silica, water, xanthan gum, *Citrus aurantium dulcis* (orange) peel oil, ethylhexylglycerin, propanediol, disodium EDTA, hydroxyacetophenone, C12-14 parath-12, caprylyl glycol pentylene glycol, and dipropylene glycol.
