

# ORDINAIRE

Dear friends of the shop,

In the midst of our public health emergency, we as a staff have unanimously decided to stick to local pickup & delivery only until we know more and can confidently open our doors to the public.

Please download this form in the meantime to place orders to be collected at the shop or delivered by one of us personally. Upon receipt, we will follow up with an invoice and shipping details. Orders placed *and* paid for by 5PM will be delivered later in the day. Shipping costs \$15, but for any purchase over \$150 we will waive the delivery fee. For the time being we are only delivering to Oakland, Berkeley, & Emeryville so we may require you pick up from the store if you are out of reach.

And while of course we would prefer to walk you through our inventory in person, we hope that through this wearisome and uncertain time you will trust us to do our job as *cavistes* and select wines that you might have passed over and revel in the surprise.

Feel free to call us during business hours (12-8PM every day) at 510-350-7524 or return a downloaded & filled out sheet saved and dated below to [info@ordinairewine.com](mailto:info@ordinairewine.com) to place an order. One of us will be on hand to take care of it including any special requests for bottles you have.

With patience and radical love,

Bradford, Diego, Alex, Quentin, Jirka, Daniel, Cormac & Claire
