# A MESSAGE

**from Glenn Bostock, Founder & CEO of SnapCab®**

For more than three decades, SnapCab has been a leader in developing architectural products that are long-lasting, safe to use, and versatile for a variety of environments. SnapCab revolutionized the elevator industry by developing its patented Interlocking Paneling (ILP) system which not only makes our products simple to install, but ensures they last a very, very, long time.

The ILP system gives you the flexibility to upgrade your look whenever you'd like. Although the structure will last 20 to 40 years, the panels can be replaced at any time, depending on your design and functional needs.

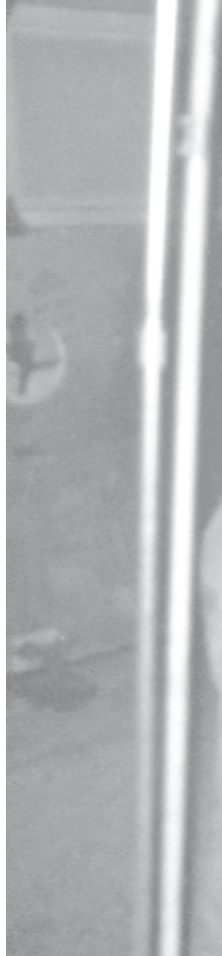

This flexibility is what makes SnapCab products unique. Whether you're an elevator mechanic, architect, designer, or simply an elevator enthusiast, SnapCab products can adapt to your changing needs. Our system was embraced by major elevator companies which led to amazing partnerships that we still have today.

This year, we are introducing a refreshed brand identity that includes our new tagline, "Space to Move You." We hope to not only move you within a building, but also to inspire you. It is our goal that every time you ride in a SnapCab it is a beautifully designed, safe, comfortable, and enjoyable space.

We're also trying something new within this catalog by organizing our models by industry – High Traffic, Office, Hospitality, Medical and Education. We've done this to make it easier for you to choose a style that works best for your needs.

But, don't worry. If you see a style in the Education section that you'd like for your office building, you're free to make that choice. We're simply providing some flexible guidance based on our experience with over 20,000 installations.

We'd love to learn more about what you're looking for in elevator solutions. Contact us to book your free design session where we can discuss and design – in real-time – solutions tailored to you.

SnapCab's ultimate goal is to create space for communities of usefulness. To support this intention, we want to provide you with the tools you need so you can accomplish the important things you need to do.

Thank you for your interest in SnapCab Elevator. We hope to connect with you very soon.

With gratitude,

*Glenn H. Bostick*

*Glenn (right) and his wife,  
Cheryl, in 1983*

# WHY SNAPCAB?

## Flexible

Our elevator interiors can be personalized and updated at any time. Simply swap out one, two or more panels to update colors, materials, and designs.

## Safe

Our interlocking panels are E84 fire tested, as well as elevator code and LEED compliant.

## High Quality

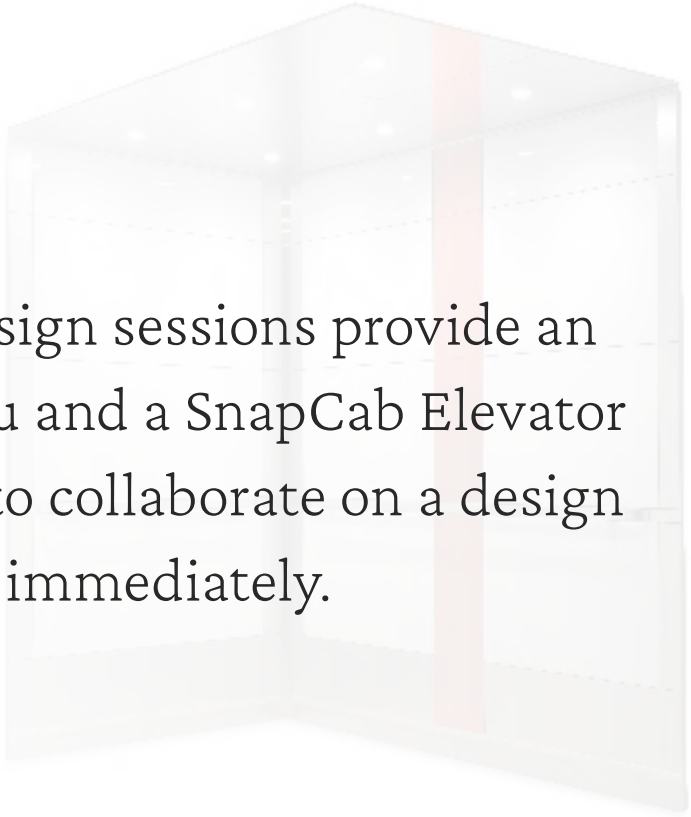

Our signature ILP system, along with superior materials, ensures our products can last for decades.

# Design Session

SnapCab online design sessions provide an opportunity for you and a SnapCab Elevator Interior Specialist to collaborate on a design and see the results immediately.

## Your Free Design Session

Our online meetings are easy, efficient and require no special hardware, software or cameras. Simply book your session, attend the online meeting, provide us with your requirements and preferences, and our experts will produce a seamless experience to ensure your project moves forward quickly and easily.

### During our session, we'll discuss:

- Your project details
- Your options for customization
- Value engineering your vision
- Code requirements
- Materials and finish

To book your free design session, please call  
888.766.7834 or email [elevator@snapcab.com](mailto:elevator@snapcab.com).

# Models

# OFFICE

Colors, finishes and styles  
that complement open office  
and corporate settings.

# Classic I

This model is available in hundreds of materials.

Call us for your free design session — 888.766.7834

## CL-72

Layers 2-5 in Wilsonart® Laminate (Skyline Walnut, softgrain); 1.5" Round handrail; Modular ceiling in Wilsonart® Laminate (Black, high gloss)

## CL-36

Layers 2-5 in Wilsonart® Laminate (Wild Cherry, matte); 2" Flat Bar handrail; Modular ceiling in Wilsonart® Laminate (Aluminum satin metallic)

## CL-84

Layers 2-5 in Wilsonart® Laminate (Biltmore Cherry, textured gloss); 4" Flat Bar handrails; Frame ceiling (translucent)

## CL-23

Layers 2-5 in Wilsonart® Laminate (Fonthill Pear, matte); 2" Flat Bar handrail; Island ceiling in satin stainless

# Contemporary I

This model is available in hundreds of materials.

Call us for your free design session — 888.766.7834

## CT-67

Layers 2-5 in Wilsonart® Laminate (Grey Pampas, matte); 4" Flat Bar handrails; 4" Flat Bar bumpers; Aurora ceiling in satin stainless

## CT-39

Layers 2-5 in Wilsonart® Laminate (Zanzibar, fine grain); 2" Flat Bar handrails; Modular ceiling in Wilsonart® Laminate (Black, high gloss)

## CT-50

Layers 2-5 in Wilsonart® Laminate (Tuscan Walnut, fine velvet texture); 2" Flat Bar handrail; Island ceiling in satin stainless

# Contemporary II

This model is available in hundreds of materials.

Call us for your free design session — 888.766.7834

## CT-93

Layers 2-5 in Wilsonart® Laminate  
(Satin Stainless, matte); 2" Flat Bar  
handrail; Frame ceiling (translucent)

## CT-35

Layers 2-5 in Wilsonart® Laminate  
(Tuscan Walnut, fine velvet texture);  
2" Flat Bar handrails; Frame ceiling  
(translucent)

## CT-78

Layers 2-5 in Wilsonart® Laminate  
(Asian Night, linearity); 2" Flat Bar  
handrail; Modular ceiling in Wilsonart®  
Laminate (Black, high gloss)

## CT-33

Layers 2-5 in Wilsonart® Laminate  
(Limber Maple, matte); 1.5" Flat Bar  
handrail; Island ceiling in satin stainless

# Modern I

This model is available in hundreds of materials.

Call us for your free design session — 888.766.7834

## MO - 85

Layers 2, 4, 5 & 6 in Wilsonart® Laminate (Tuscan Walnut, fine velvet texture); layer 3 in Wilsonart® Laminate (Black, matte); 2" Flat Bar handrail; Frame ceiling (translucent)

## MO - 65

Layers 2, 4, 5 & 6 in Wilsonart® Laminate (Cosmic Strandz, linearity); layer 3 in Wilsonart® Laminate (Black, matte); 2" Flat Bar handrail; Island ceiling in satin stainless

## MO - 05

Layers 2, 4, 5 & 6 in Wilsonart® Laminate (Milano Quartz, quarry); layer 3 in Wilsonart® Laminate (Black, matte); 2" Flat Bar handrail; Modular ceiling in Wilsonart® Laminate (Black, high gloss)

## MO - 18

Layers 2, 4, 5 & 6 in Wilsonart® Laminate (Cocobala, textured gloss); layer 3 in Wilsonart® Laminate (Black, matte); 1.5" Round handrail; Island ceiling in satin stainless

# Modern II

This model is available in hundreds of materials.

Call us for your free design session — 888.766.7834

## MO - 73

Layers 2, 4, 5 & 6 in Wilsonart® Laminate (Astro Strandz, linearity), layer 3 in satin stainless; 2" Flat Bar handrail; Aurora ceiling in satin stainless

## MO - 09

Layers 2, 4, 5 & 6 in Wilsonart® Laminate (Kensington Maple, matte), layer 3 in satin stainless; 2" Flat Bar handrails; Frame ceiling, translucent

## MO - 12

Layers 2, 4, 5 & 6 in Wilsonart® Laminate (Biltmore Cherry, matte), layer 3 in satin stainless; 2" Flat Bar handrail; Island ceiling in satin stainless

## MO - 15

Layers 2, 4, 5 & 6 in Wilsonart® Laminate (Pewter Brush, matte), layer 3 in satin stainless; 2" Flat Bar handrail; Modular ceiling in Wilsonart® Laminate (Black, high gloss)

# Sierra I

**This model is available in hundreds of materials.**

**Call us for your free design session — 888.766.7834**

SI - 02

Layers 2-5 in wood veneer  
(Walnut Groove); 2" Flat Bar handrail;  
Island ceiling in satin stainless

# Tundra II

**This model is available in hundreds of materials.**

**Call us for your free design session — 888.766.7834**

## TU - 30

Layers 2, 4 & 6 in Wilsonart® Laminate (Satin Stainless, matte), layer 3 and accents in Wilsonart Laminate (Asian Night, matte), layer 5 in Wilsonart Laminate (Vapor Strandz, matte); 2" Flat Bar handrail; Island ceiling in satin stainless

# Radiant

This model is available in hundreds of materials.

Call us for your free design session — 888.766.7834

## RA - 21

Layers 2-5 back wall in Corning® Gorilla® Glass (Brilliant White), layers 2-5 side walls and back wall accents in Wilsonart® Laminate (Phantom Ecru, matte); 2" Flat Bar handrails; Frame ceiling (translucent)

## RA - 73

Layers 2-5 back wall in Corning® Gorilla® Glass (Brilliant White), layers 2-5 side walls and back wall accents in Wilsonart® Laminate (Phantom Charcoal, matte); 1.5" Round handrails; Island ceiling in satin stainless

# Pure

This model is available in hundreds of materials.

Call us for your free design session — 888.766.7834

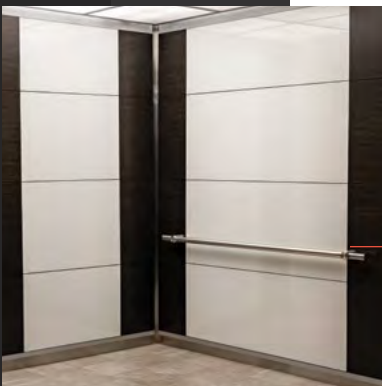

## PR - 4 2

Layers 2-5 back wall in Corning® Gorilla® Glass (Brilliant White), layers 2-5 side walls and back wall accents in Wilsonart® Laminate (Black, matte); 2" Flat Bar handrail; Modular ceiling in Wilsonart® Laminate (Black, high gloss)

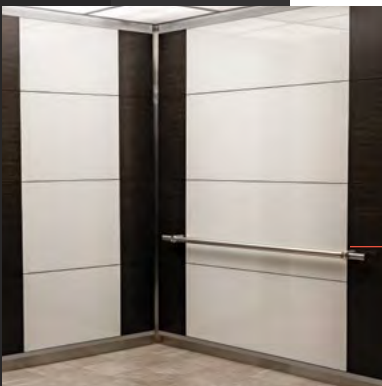

## PR - 11

Layers 2-5 back wall in Corning® Gorilla® Glass (Brilliant White), layers 2-5 side walls and back wall accents in Wilsonart® Laminate (Designer White, matte); 2" Flat Bar handrail; Island ceiling in satin stainless

## PR - 9 3

Layers 2-5 back wall in Corning® Gorilla® Glass (Brilliant White), layers 2-5 side walls and back wall accents in Wilsonart® Laminate (Asian Night, matte); 1.5" Vault handrail; Frame ceiling (translucent)

# Corporate I

This model is available in hundreds of materials.  
Call us for your free design session — 888.766.7834

## CO - 62

Layer 2 in Wilsonart® Laminate (Kensington Maple, matte), layer 3 in satin stainless, layer 4 in Wilsonart® Laminate (Casual Linen, fine velvet texture); 1.5" Round handrail; Frame ceiling (translucent)

## CO - 39

Layers 2 & 4 in Wilsonart® Laminate (Walnut Heights, softgrain), layer 3 in satin stainless; 1.5" Round handrails; Modular ceiling in Wilsonart® Laminate (Black, high gloss)

## CO - 77

Layers 2 & 4 in Wilsonart® Laminate (Skyline Walnut, softgrain), layer 3 in satin stainless; 2" Flat Bar handrail; Island ceiling in satin stainless

## CO - 55

Layers 2 & 4 in Wilsonart® Laminate (Amber Cherry, finegrain), layer 3 in satin stainless; 2" Flat Bar handrails; Island ceiling in satin stainless

# Harmony II

This model is available in hundreds of materials.

Call us for your free design session — 888.766.7834

## HA - 77

Layer 2 in textured stainless (2WL), layer 3 in satin stainless, layer 4 in Wilsonart® Laminate (Monticello Maple, fine velvet); 2" Flat Bar handrail; Modular ceiling in Wilsonart Laminate (Black, high gloss)

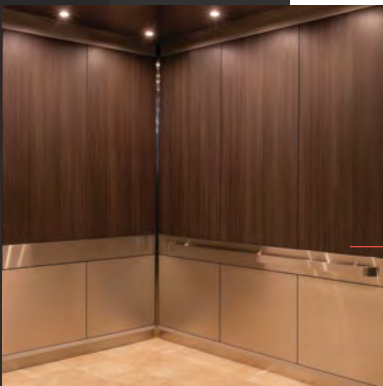

## HA - 69

Layer 2 in textured stainless (5WL), layer 3 in satin stainless, layer 4 in Wilsonart® Laminate (Park Elm, softgrain); 2" Flat Bar handrails; 4" Flat Bar bumpers; Frame ceiling (translucent)

## HA - 46

Layer 2 in textured stainless (1CS), layer 3 in satin stainless, layer 4 in Wilsonart® Laminate (Huntington Maple, fine velvet); 2" Flat Bar handrail; Island ceiling in satin stainless

## HA - 15

Layer 2 in textured stainless (5WL), layer 3 in satin stainless, layer 4 in Wilsonart® Laminate (Skyline Walnut, softgrain); 2" Flat Bar handrail; Island ceiling in satin stainless

# Aria II

**This model is available in hundreds of materials.**

**Call us for your free design session — 888.766.7834**

AR - 06

Layers 2 & 4 in wood veneer (Teak Groove),  
layer 3 in satin stainless; 2" Flat Bar  
handrail; Island ceiling in satin stainless

# Heritage I

**This model is available in hundreds of materials.**

**Call us for your free design session — 888.766.7834**

HE - 78

Layers 2-4 in Wilsonart® Laminate  
(Amber Cherry, finegrain); 1.5" Round  
handrail; Island ceiling in satin stainless

# Heritage II

This model is available in hundreds of materials.

Call us for your free design session — 888.766.7834

HE-19

Layers 2-6 in Wilsonart® Laminate  
(Amber Cherry, finegrain); 2" Flat Bar  
handrail; Island ceiling in satin stainless

# Sahara I

**This model is available in hundreds of materials.**

**Call us for your free design session — 888.766.7834**

SA - 33

Layers 2 & 4 in GageCarve® (Organic, nickel), layer 3  
in satin stainless; inlay in black anodized aluminum;  
1.5" Vault handrails; Island ceiling in satin stainless

# Sahara II

**This model is available in hundreds of materials.**

**Call us for your free design session — 888.766.7834**

SA - 49

Layers 2 & 4 in GageCarve® (Rough Cut II, nickel),  
layer 3 in satin stainless, accents in textured stainless  
(Sandtex); inlay in black anodized aluminum;  
1.5" Vault handrail; Island ceiling in satin stainless

# Milano I

**This model is available in hundreds of materials.**

**Call us for your free design session — 888.766.7834**

MI - 6 8

Layer 2 in natural stone (Concrete Caesarstone),  
layer 3 in satin stainless, layers 4, 5 & 6 in natural  
stone (White Carrara); 2" Flat Bar handrail; Island  
ceiling in satin stainless

# Prism

**This model is available in hundreds of materials.**

**Call us for your free design session — 888.766.7834**

PM - 76

Layers 2-4 in Corning® Gorilla® Glass (Brilliant White),  
accent 1 in Gorilla Glass (Dark Blue), accent 2 in textured  
stainless (Sandtex), accent 3 in satin stainless; 1.5" Flat  
Bar handrails; Island ceiling in satin stainless

# HOSPITALITY

Durable interiors designed  
with handrails to accommodate  
guests with luggage.

# Classic I

This model is available in hundreds of materials.  
Call us for your free design session — 888.766.7834

## CL-23

Layers 2-5 in Wilsonart® Laminate  
(Fonthill Pear, matte); 2" Flat Bar  
handrail; Island ceiling in satin stainless

## CL-36

Layers 2-5 in Wilsonart® Laminate (Wild  
Cherry, matte); 2" Flat Bar handrail;  
Modular ceiling in Wilsonart® Laminate  
(Aluminum satin metallic)

## CL-81

Layers 2-5 in Wilsonart® Laminate  
(Boardwalk Oak, fine velvet texture);  
1.5" Round handrail; Frame ceiling  
(translucent)

## CL-84

Layers 2-5 in Wilsonart® Laminate  
(Biltmore Cherry, textured gloss);  
4" Flat Bar handrails; Frame ceiling  
(translucent)

# Classic II

This model is available in hundreds of materials.

Call us for your free design session — 888.766.7834

## AP - 81

Layer 2 in textured stainless (5WL), layers 3-6 in Wilsonart® Laminate (Boardwalk Oak, fine velvet texture); 1.5" Round handrail; Frame ceiling (translucent)

## AP - 45

Layer 2 in satin stainless, layer 3 in Wilsonart® Laminate (Black, matte), layers 4-6 in Wilsonart® Laminate (Windsor Mahogany, finegrain); 2" Flat Bar handrails; Modular ceiling in Wilsonart® Laminate (Black, high gloss)

## AP - 66

Layer 2 in textured stainless (5WL), layer 3 in Wilsonart® Laminate (Black, matte), layers 4-6 in Wilsonart® Laminate (Vapor Strandz, linearity); 2" Flat Bar handrail; Island ceiling in satin stainless

## AP - 48

Layer 2 in textured stainless (5WL), layer 3 in Wilsonart® Laminate (Black, matte), layers 4-6 in Wilsonart® Laminate (Vapor Strandz, linearity); 2" Flat Bar handrail; Island ceiling in satin stainless

# Apex II

**This model is available in hundreds of materials.  
Call us for your free design session — 888.766.7834**

## AP-08

Layer 2 in textured stainless (6WL), layer 3 in satin stainless, layers 4-6 in Wilsonart® Laminate (Cosmic Strandz, linearity); 2" Flat Bar handrail; 4" Flat Bar bumpers; Modular ceiling in Wilsonart® Laminate (Black, high gloss)

## AP-10

Layer 2 in textured stainless (5WL), layer 3 in satin stainless, layers 4-6 in Wilsonart® Laminate (Biltmore Cherry, textured gloss); 2" Flat Bar handrail; Frame ceiling (translucent)

## AP-05

Layer 2 in textured stainless (5WL), layer 3 in satin stainless, layers 4-6 in Wilsonart® Laminate (Windsor Mahogany, finegrain); 2" Flat Bar handrail; Island ceiling in satin stainless

## AP-25

Layer 2 in textured stainless (5WL), layer 3 in satin stainless, layers 4-6 in Wilsonart® Laminate (Amber Cherry, finegrain); 1.5" Round handrails; 6" Flat Bar bumpers; Island ceiling in satin stainless

# Industrial I

This model is available in hundreds of materials.

Call us for your free design session — 888.766.7834

IN - 20

Layers 2-5 in textured stainless (5WL);  
2" Flat Bar handrail; 4" Flat Bar bumper;  
Island ceiling in satin stainless

# Imperial I

This model is available in hundreds of materials.

Call us for your free design session — 888.766.7834

## IM - 43

Layers 2 & 4 in textured stainless (DuoTex 1SL-Sandtux), layer 3 in satin stainless; 1.5" Vault handrail; Modular ceiling in Wilsonart® Laminate (Black, high gloss)

## IM - 72

Layers 2 & 4 in textured stainless (5WL), layer 3 in satin stainless; 13" Flat Bar handrails; Island ceiling in satin stainless

## IM - 96

Layer 2 in colored stainless (T22 Granex Onyx Black), layer 3 in satin stainless, layer 4 in colored stainless (T22 Granex Quartz Bronze); 1.5" Round handrails; Aurora ceiling in satin stainless

# MEDICAL

Versatile spaces with soft lighting, and designs and materials that are easy to clean.

# Summit I

This model is available in hundreds of materials.

Call us for your free design session — 888.766.7834

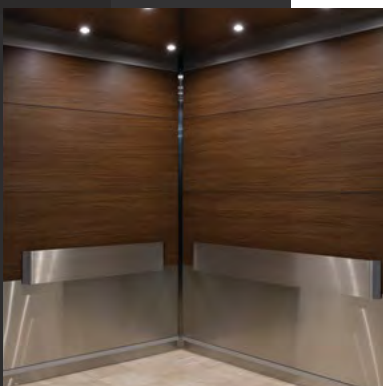

## S U - 2 5

Layer 2 in textured stainless (5WL),  
layers 3-5 in Wilsonart® Laminate  
(Park Elm, softgrain); 2" Flat Bar  
handrails; Frame ceiling (translucent)

## S U - 2 3

Layer 2 in textured stainless (5WL),  
layers 3-5 in Wilsonart® Laminate  
(Fonthill Pear, matte); 2" Flat Bar  
handrail; Island ceiling in satin stainless

## S U - 9 1

Layer 2 in satin stainless, layers 3-5 in  
Wilsonart® Laminate (Walnut Heights,  
softgrain); 8" Flat Bar handrails; Island  
ceiling in satin stainless

# Summit II

This model is available in hundreds of materials.

Call us for your free design session — 888.766.7834

## S U - 7 1

Layers 2 & 3 in satin stainless, layers 4 & 5 in Wilsonart® Laminate (Biltmore Cherry, textured gloss); 4" Flat Bar handrails, 8" Flat Bar bumpers; Frame ceiling (translucent)

## S U - 9 9

Layers 2 & 3 in satin stainless, layers 4 & 5 in Wilsonart® Laminate (River Cherry, fine velvet); 2" Flat Bar handrails, 8" Flat Bar bumpers; Modular ceiling in Wilsonart Laminate (Black, high gloss)

# Apex II

This model is available in hundreds of materials.

Call us for your free design session — 888.766.7834

## AP-25

Layer 2 in textured stainless (5WL), layer 3 in satin stainless, layers 4-6 in Wilsonart® Laminate (Amber Cherry, finegrain); 1.5" Round handrails; 6" Flat Bar bumpers; Island ceiling in satin stainless

## AP-10

Layer 2 in textured stainless (5WL), layer 3 in satin stainless, layers 4-6 in Wilsonart® Laminate (Biltmore Cherry, textured gloss); 2" Flat Bar handrail; Frame ceiling (translucent)

## AP-05

Layer 2 in textured stainless (5WL), layer 3 in satin stainless, layers 4-6 in Wilsonart® Laminate (Windsor Mahogany, finegrain); 2" Flat Bar handrail; Island ceiling in satin stainless

## AP-08

Layer 2 in textured stainless (6WL), layer 3 in satin stainless, layers 4-6 in Wilsonart® Laminate (Cosmic Strandz, linearity); 2" Flat Bar handrail; 4" Flat Bar bumpers; Modular ceiling in Wilsonart® Laminate (Black, high gloss)

# Vibrant III

This model is available in hundreds of materials.

Call us for your free design session — 888.766.7834

V U - 3 6

Layers 2-5 in Wilsonart® Laminate  
(Studio Teak, matte), accents in Corning®  
Gorilla® Glass (Brilliant White); 2" Rectangle  
handrails; Island ceiling in satin stainless

# Clarity I

This model is available in hundreds of materials.

Call us for your free design session — 888.766.7834

## CR - 83

Layers 2 & 4 in Corning® Gorilla® Glass (Brilliant White), layer 3 in satin stainless, accents in textured stainless (3SQ); 1.5" Round handrails; Island ceiling in satin stainless

## CR - 49

Layer 2 in Corning® Gorilla® Glass (Winter Green), layers 3 & 6 in textured stainless (Sandtex), layers 4 & 5 in Gorilla® Glass (Sandy Peach), accents in textured stainless (3SQ); 1.5" Round handrails; Island ceiling in satin stainless

A modern building interior with large windows and red pillars. The scene is bright and airy, with natural light streaming in. A woman with curly hair is visible on the right side of the frame, looking down. The text 'EDUCATION' is centered in the middle of the image.

# EDUCATION

Attractive, robust and  
damage-resistant solutions.

# Classic I

This model is available in hundreds of materials.

## CL - 36

Layers 2-5 in Wilsonart® Laminate  
(Wild Cherry, matte); 2" Flat Bar  
handrail; Modular ceiling in Wilsonart®  
Laminate (Aluminum satin metallic)

## CL - 23

Layers 2-5 in Wilsonart® Laminate  
(Fonthill Pear, matte); 2" Flat Bar  
handrail; Island ceiling in satin stainless

## CL - 81

Layers 2-5 in Wilsonart® Laminate  
(Boardwalk Oak, fine velvet texture);  
1.5" Round handrail; Frame ceiling  
(translucent)

## CL - 84

Layers 2-5 in Wilsonart® Laminate  
(Biltmore Cherry, textured gloss); 4" Flat  
Bar handrails; Frame ceiling (translucent)

# Classic II

This model is available in hundreds of materials.  
Call us for your free design session — 888.766.7834

## CL-48

Layer 2 & 3 in Wilsonart® Laminate (Tangerine, matte),  
layers 4-6 in Wilsonart® Laminate (North Sea, matte);  
2" Flat Bar handrail; Frame ceiling (translucent)

## CL-92

Layer 2 in Wilsonart® Laminate (Asian Night, matte),  
layer 3 in Wilsonart® Laminate (Black, matte), layers  
4-6 in Wilsonart® Laminate (Satin Stainless, matte);  
2" Flat Bar handrails; Frame ceiling (translucent)

## CL-73

Layer 2, 4, 5 & 6 in Wilsonart® Laminate  
(Astro Strandz, linearity), layer 3 in Wilsonart  
Laminate (Black, matte); 2" Flat Bar handrail;  
Island ceiling in satin stainless

## CL-47

Layers 2, 3 & 6 in Wilsonart® Laminate (Xanada,  
matte), layers 4 & 5 in Wilsonart® Laminate  
(Asian Sand, matte); 2" Flat Bar handrail; Modular  
ceiling in Wilsonart® Laminate (Black, high gloss)

# Modern I

This model is available in hundreds of materials.

Call us for your free design session — 888.766.7834

## MO - 85

Layers 2, 4, 5 & 6 in Wilsonart® Laminate (Tuscan Walnut, fine velvet texture); layer 3 in Wilsonart® Laminate (Black, matte); 2" Flat Bar handrail; Frame ceiling (translucent)

## MO - 65

Layers 2, 4, 5 & 6 in Wilsonart® Laminate (Cosmic Strandz, linearity); layer 3 in Wilsonart Laminate (Black, matte); 2" Flat Bar handrail; Island ceiling in satin stainless

## MO - 05

Layers 2, 4, 5 & 6 in Wilsonart® Laminate (Milano Quartz, quarry); layer 3 in Wilsonart® Laminate (Black, matte); 2" Flat Bar handrail; Modular ceiling in Wilsonart® Laminate (Black, high gloss)

## MO - 18

Layers 2, 4, 5 & 6 in Wilsonart® Laminate (Cocobala, textured gloss); layer 3 in Wilsonart® Laminate (Black, matte); 1.5" Round handrail; Island ceiling in satin stainless

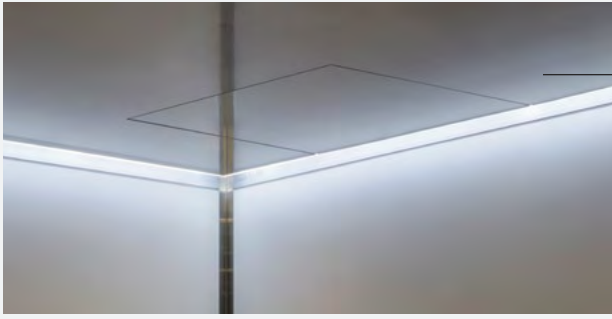

# CEILING S

---

SnapCab's high-quality ceilings are expertly manufactured to provide beauty and durability.

Our frames are constructed of sturdy 1.5" extruded "T" aluminum. All ceilings are made with access to the canopy exit hatch and allow for ventilation around the perimeter. Battery backup is an optional upgrade on all ceilings.

## Aurora

Extraordinary and energy-efficient edge-lit panel ceiling with no divisions or sections (tight seam for exit hatch and larger elevators).

## Island

Beautiful and energy-efficient panel ceiling divided into 6 sections (9 on larger elevators).

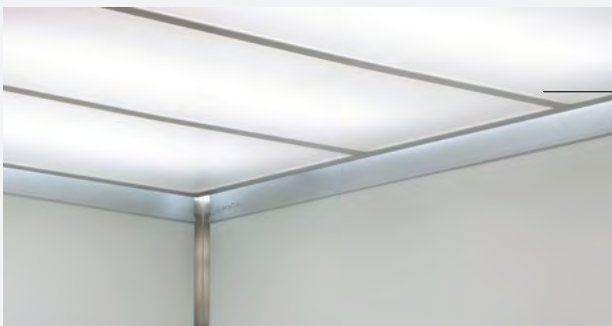

## Modular

Lightweight and energy-efficient aluminum frame with drop-in panels, divided into 6 sections (9 on larger elevators).

## Frame

Lightweight and energy-efficient aluminum frame with translucent diffusers, divided into 6 sections (9 on larger elevators).

## Economy

Lightweight and energy-efficient aluminum frame with translucent diffusers, divided into 3 sections (4 or 5 on larger elevators).

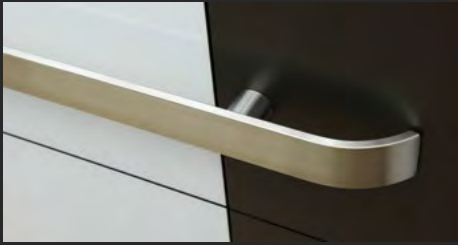

# HANDRAILS & BUMPERS

---

SnapCab pre-installed handrails and bumpers are mounted during the manufacturing process, making them the most secure in the industry.

We offer eight different designs, in various sizes, that allow you to personalize your interior. Materials include stainless steel and bronze, finished in satin or mirror to complement the wall panel materials you have selected for your interior. Handrails and bumpers can be specified for the back and/or side walls.

## Flat Bar

Available in 1.5", 2", 4", 6", or 8"

## Round

Available in 1.5" or 2"

## Vault

Available in 1.5"

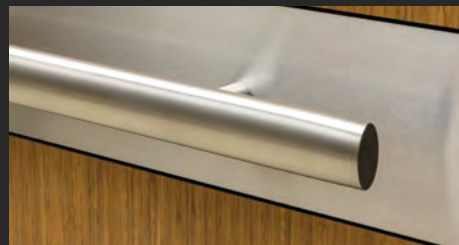

## Angle

Available in 1.5"

## Fluid

Available in 1.5"

## Oval

Available in 1.9"

## Square

Available in 1.5"

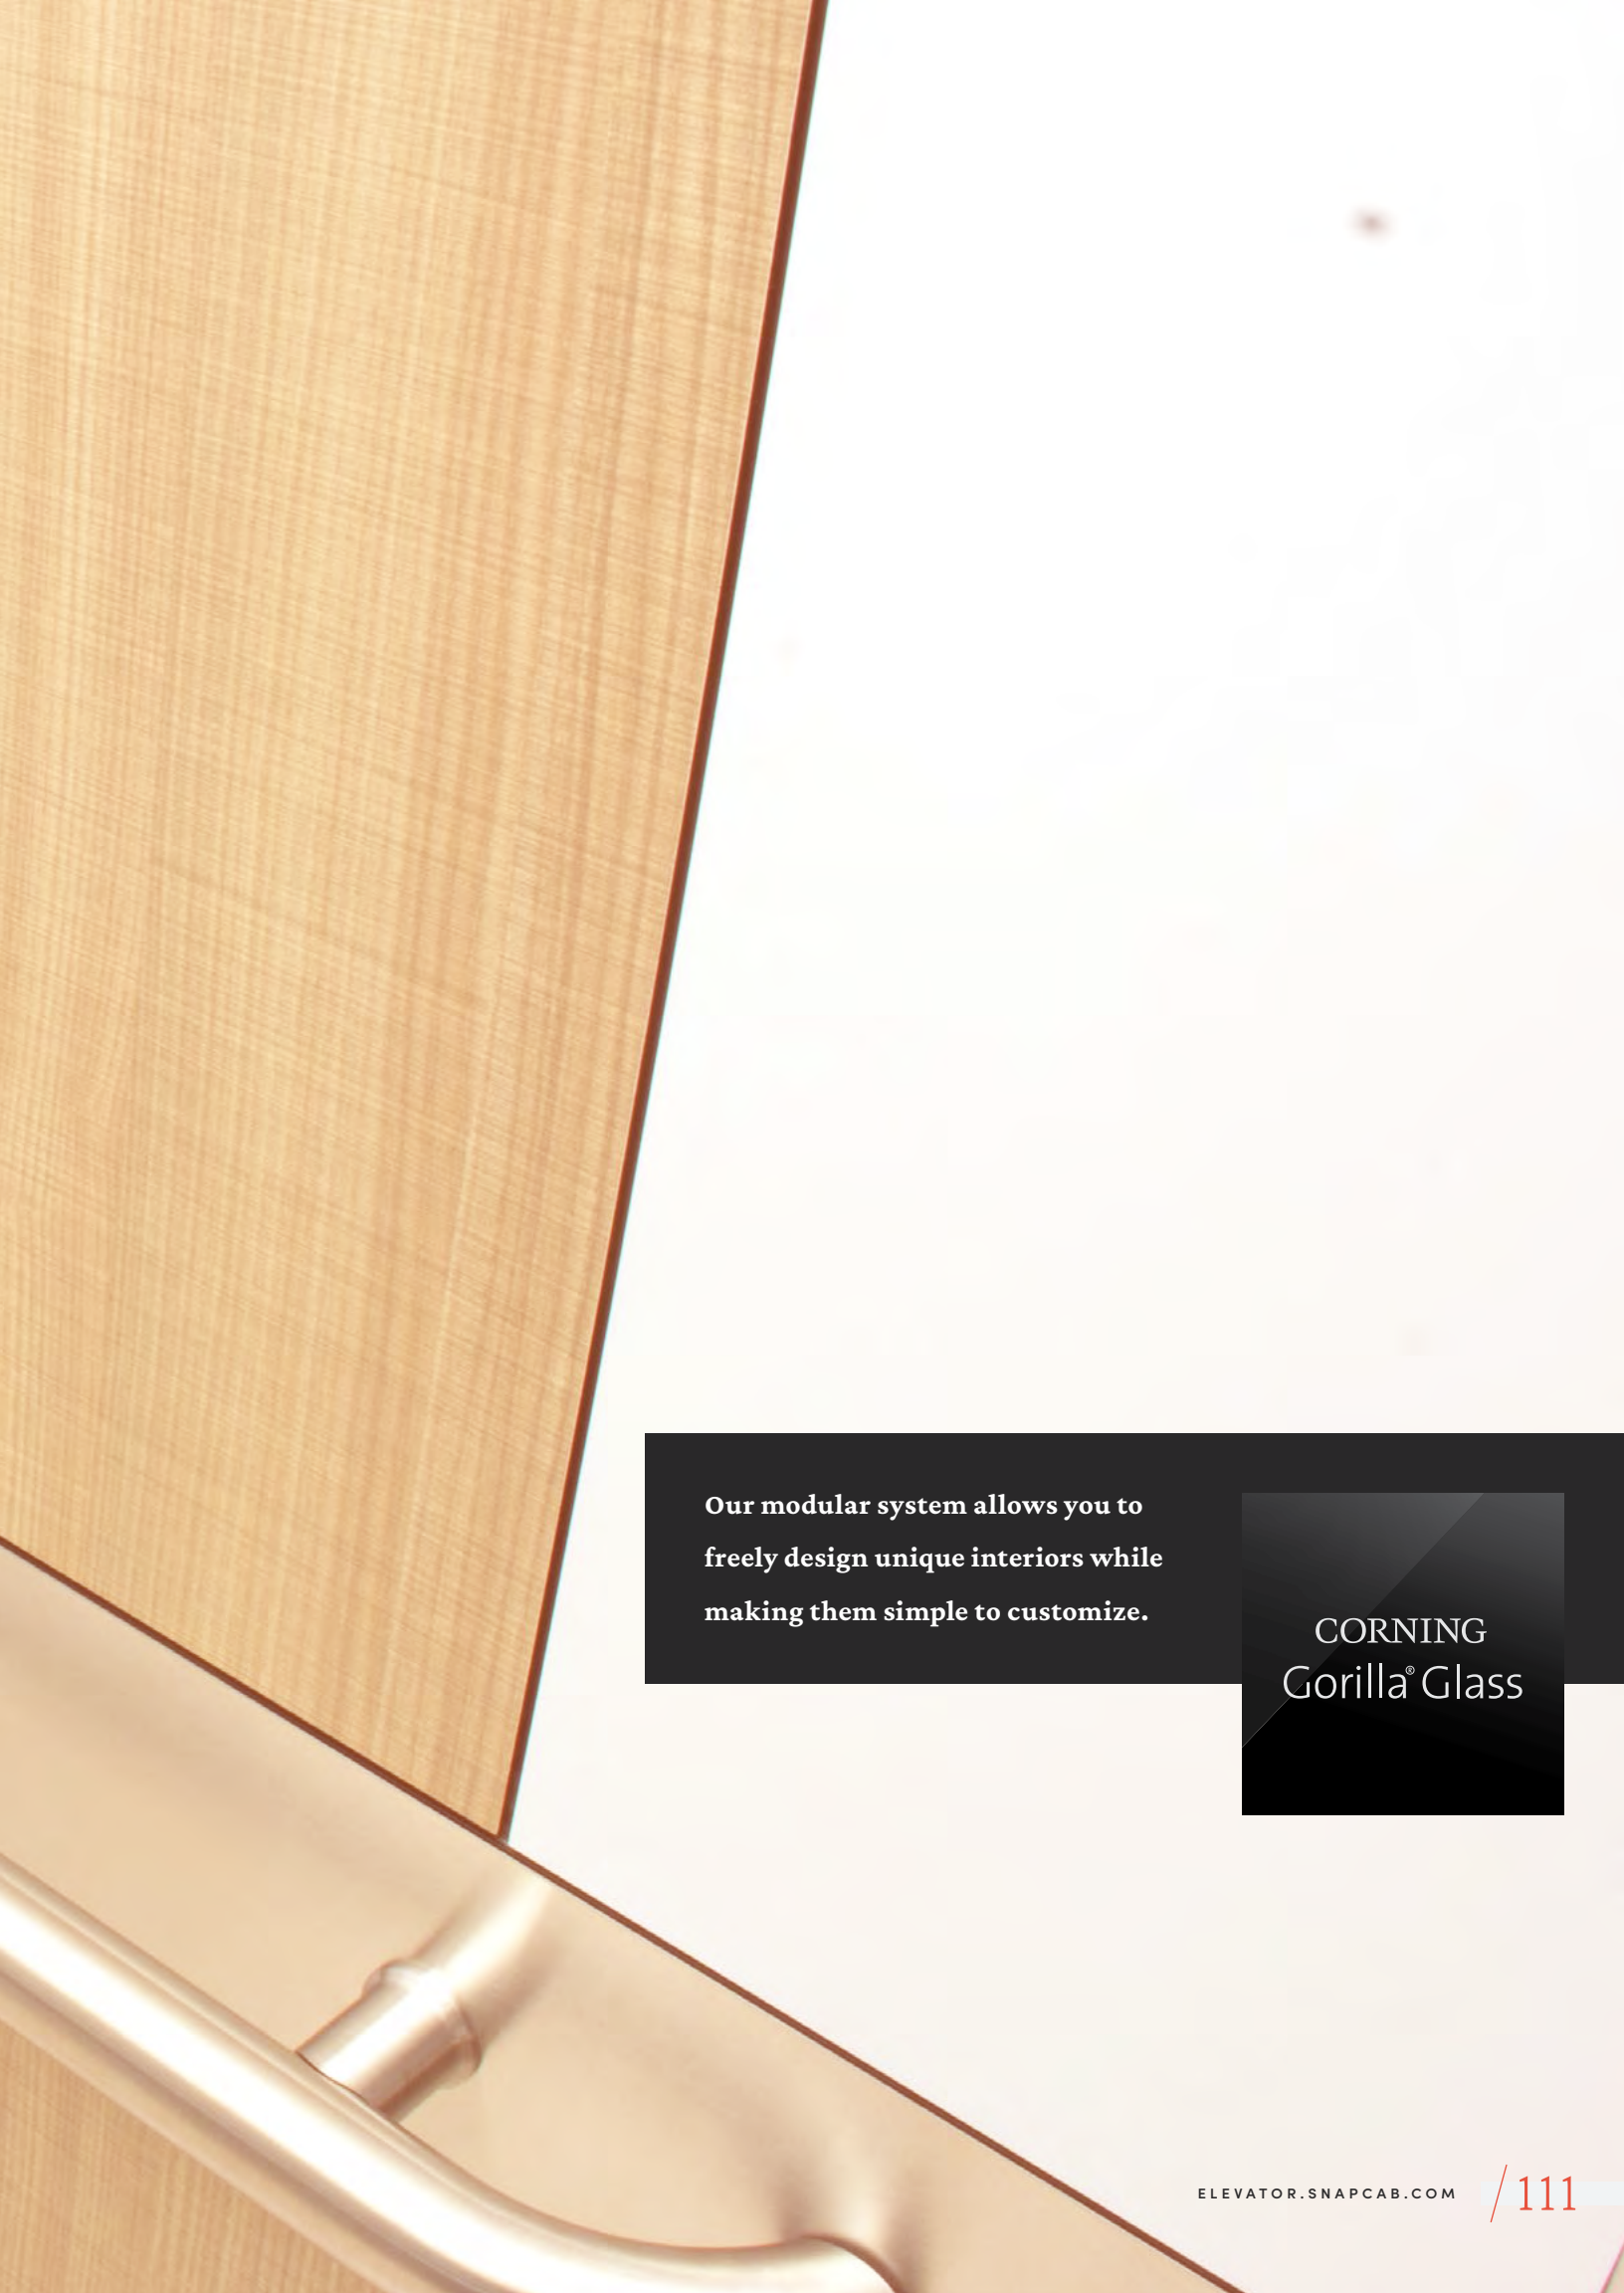

## Rectangle

Available in 2"

# CORNING GORILLA GLASS

Our collaboration with Corning® Gorilla® Glass ensures that our customers receive beautiful and high-quality products. The glass panels are thin, lightweight, and damage-resistant.

Our modular system allows you to  
freely design unique interiors while  
making them simple to customize.

CORNING  
Gorilla® Glass

# Sustainability

---

SnapCab is a company that embraces and practices the principles of lean manufacturing, a method that focuses on overall waste reduction. Here are some examples of our sustainable practices.

## Forest Stewardship Council Certified Products

### Crating materials

The Forest Stewardship Council (FSC) is an international non-profit organization that promotes responsible management of the world's forests. The FSC does this by setting standards on forest products, along with certifying and labeling them as eco-friendly.

## GREENGUARD–Gold

### Adhesives, additional products comply

GREENGUARD Certification is part of Underwriters Laboratories (UL) Environment. GREENGUARD Certification helps manufacturers create, as well as helps buyers identify interior products and materials that have low chemical emissions, improving the quality of the air in which the products are used.

## Eco-Certified Products

### Crating materials, panel core materials, etc.

This certification implements strict quality assurance on incoming materials and chemical application-related processes to remove all the restricted harmful substances from the very beginning without deviating from the original design, thus, avoiding any contamination during the manufacturing process.

## CARB Phase 2 Compliant

### Most materials comply

CARB Phase 1 and Phase 2 are a part of California's Composite Wood Products Regulation (CWP Regulation), which took effect in 2009 with Phase 1. The regulation has to do with reducing formaldehyde emissions from composite wood products, hardwood plywood, particleboard, and medium-density fiberboard.

In the 2009 rollout of CARB's Airborne Toxic Control Measure (ATCM), formaldehyde emissions were capped at .08 parts per million (ppm). CARB Phase 2 went into effect in 2010 and has much lower formaldehyde emissions than the previous phase; set at .05 ppm.

The main reason why CARB ATCM is the strictest air quality measure is that it caps emissions levels. Other air quality standards are averages.

## Crating

- Our crating is often reusable due to its design.
- The creative construction design allows the use of fewer materials while still maintaining the highest strength standards.
- All scrap metal, cardboard, and some wood is recycled.

# Warranty

---

The SnapCab limited warranty applies to any SnapCab manufactured product and remains in full force and effect for three years from shipment.

We warrant every SnapCab product to be free of manufacturing defects. This warranty is limited to replacement or repair and does not include labor to remove or replace any product.

Should you have a warranty issue, SnapCab will repair or replace all valid warranty items. Exclusions to this warranty include, but are not limited to, normal wear such as scratches, dents, and dings.
