

SnapCab Limited Warranty

Bostock Company, Inc. dba "SnapCab" has been providing quality products since 1983. We believe in our products and stand by our workmanship and materials. SnapCab will repair or replace all valid warranty items during the Warranty Period, as defined herein.

This Limited Warranty applies to physical goods, and only for physical goods, purchased from SnapCab (including our Affiliates and our authorized dealers). It only applies to the original purchaser and is non-transferrable.

We guarantee any SnapCab manufactured product against failure or manufacturing defects, for up to three years after the material ship date, except as set forth below.

What's not covered: Normal wear and tear. Indirect, special, or consequential type damages. Where natural materials are used (wood veneer or stone), SnapCab cannot warrant exact matching of color, grain, or texture for replacement. Damage resulting from abuse, accident, alteration, mishandling, misuse, outdoor use, vandalism, or lack of reasonable care, and improper cleaning (especially mirrors). Damage resulting from improper storage prior to installation or improper installation. Labor to remove or replace any product. Handling, shipping, or freight. Anything installed 6 months after ship date.

Exceptions to three-year coverage and only have a one-year warranty: Consumables, fans, light ballasts, motion sensors, and power supplies.

Electronic devices are limited to the manufacturer's warranty.
