### About FUELtheCURE

**Our Mission:** To channel young professionals' time, energy, skill sets, and other resources towards providing underprivileged children with better health, education, and communities.

**Our Approach: Community + Inspiration + Action = Social Impact**

### FUELtheCURE Gala

FUELtheCURE intends on building on its success by hosting its 10th Annual Gala on October 28th at the historic 23rd Street Armory in Center City Philadelphia. The Gala promises to be another terrific event, as over 800 young professionals from across the Northeast will gather to celebrate a night of fun and philanthropy. FUELtheCURE has been able to donate over \$491,000 to various charitable organizations and actively engage 6,450 young professionals in philanthropic activities.

This year, the Gala will benefit the HEADstrong Foundation and FUELtheCURE's Impact Fund. Ten years ago, HEADstrong Foundation's Nicholas "HEAD" Colleluori had a vision to start a non-profit organization that provided direct services to cancer patients and their families. Today, the HEADstrong Foundation continues in his memory.

We approach premium brands whose outstanding quality complements the Gala's elegant atmosphere for donations. In order to ensure quality and consistency, each of our silent auction prizes are valued at \$500+. Donations valued at more than \$500 will be used as standalone auction items, while smaller donations are coupled with other items to bring the overall value to \$500+ and will be auctioned together.
