

# Details For Model: VHPS-2000-AA

## Steel Manual Stacker Adjustable Forks/Legs 2,000 Lb. Capacity Yellow

The manual stacker is designed to meet the most challenging tasks. Ideal for use in various workstation and workplace applications. Maintenance free and easy to use. The full height push handle allows for easy steering and excellent visibility through a welded mesh guard with an optional removable platform available. It features a heavy-duty mast and a unique winch design for easier and safer lifting. The lifting and lowering is completed by a manual hand pump operation. The two (2) rigid and two (2) swivel wheels with brakes make it easy for maneuvering. The unit features both adjustable forks and adjustable legs.

- Stacker design meets the most challenging tasks
- Unique design is maintenance free and easy to use
- Full height push handle allows for easy steering
- Manual design offers easier and safer lifting
