

Bollard R-7472 Double Locking Retractable

R-7472
 Lockable in Raised and Lowered Position
 Key required to lower and raise bollard
 (number of keys included: 2)

General Description:

The R-7472 Double Locking Retractable Bollard retracts fully below ground, closing flush to avoid obstruction and tripping hazards, and can be locked in both extended, upright and lowered, retracted positions. A single key-locking mechanism ensures quick and easy access to restricted areas. The clean and versatile design is highly visible and available with alternative mountings (see removable and fixed models) for consistent aesthetics that suit any modern building or landscape. High-quality carbon steel with a powder coated finish features high resistance to corrosion and weathering. Posts ship standard with 1 of 4 colored reflector stripes.
