

BRACELET SIZER

Print at 100% for accurate measurement.

Cut out ruler along dashed lines.

Measured in inches.

1. Using the printed paper measuring tape, measure the circumference of your wrist just below the wrist bone.

2. Make a note of the number at the point where the measuring tape meets the 0.

3. Compare your measurement to the size listed on the bracelet product listing on our website.

If you appear to be between two sizes, we suggest you choose the larger size.
