

Kasvaa

CAMERON
DESIGN
HOUSE

The first of our sculptural lighting pieces to be created for both outdoor and indoor use. Kasvaa focuses on sustainable design with the use of 100% recycled brass to form the core structure of the piece. Inspired by the natural forms of pollen, seed heads and flowers, we have created this organic, geometric piece with a focus on enduring design and the re-use of materials.

The piece can be hung as a pendant, be hidden amongst some foliage or placed on a podium.

Hanging

Fully adjustable drop height on chain, wire rope or podium.

Light Source

LED matrix, ~ 50K hours life.

LED standard colour temperature options: 3k

Power to fixtures: Via integrated power cable.

Dimming Triac Dimmable (5%-100%) as standard, all dimming protocols available on request.

Wattage dependent on sizing.

Input Voltage: 110V-230V-277V, to be specified.

Maintenance

Clean with smooth and dry cloth. Do not use any ammonia, solvents or abrasives. No user serviceable components. Contact Cameron Design House for further information.

Bespoke options and design service available.

All fittings and installation instructions are provided.
