Sight Enhancement

2

IrisVision Live

SKU: TEC-112-000-0709

\$3,995

IrisVision uses proprietary software loaded onto a Samsung smartphone combined with a Samsung Virtual Reality headset. Powerful Artificial Intelligence adjusts images in real time with up to 12X magnification and 70-degree field of view. See objects up close in the IrisBubble without losing context of the overall scene. Various modes for watching television, reading or general viewing.

3

Vision Buddy

SKU: TEC-112-000-0715

\$3,995

Vision Buddy is designed to be the simplest device out there to assist visually impaired individuals watching TV, as well as being able to perform simple day to day tasks. Vision Buddy is the world's first ultra simple Television Watching System for the Visually Impaired.

4

OrCam MyEye Smart Assistive Eyewear

SKU: TEC-112-000-7202

\$4,500

OrCam MyEye is a revolutionary voice activated device that attaches to virtually any glasses. It can instantly read to you text from a book, smartphone screen or any other surface, recognize faces, help you shop on your own, work more efficiently, and live a more independent life! OrCam MyEye conveys visual information audibly, in real-time and offline.

5

Envision Glasses with Titanium Frame

SKU: TEC-112-000-0711

\$4,450

Envision glasses are AI for your eye. They use the power of speech to make everyday life more accessible for any visual impairment. Envision Glasses brings our award winning software to smartglasses, enabling an unprecedented experience of hands-free and unobtrusive experience of accessing the visual world.

Video Magnifiers

Here, you'll find a great selection of video magnifiers with a variety of options to suit your needs. Whether you're trying to read tiny print at home or a far-away street sign on-the-go, we have what you're looking for.

6

Smartlux 2 Digital Portable Video Magnifier SKU: MAG-080-120-6095

\$745

Add the following description: The new Smartlux® Digital is an ergonomically designed, portable video magnifier with full HD camera that features a 5" reflection-free display, large field of view and personalized setting options. The LEDs are individually adjustable and a new customizable menu provides 14 color contrast mode options, adjustable lines and blinds and more.

7

Ruby XL HD Video Magnifier SKU: MAG-082-140-6090

\$795

The RUBY XL HD puts crystal clear, high-definition magnification in the palm of your hand. This portable, handheld video magnifier has a 5-megapixel, auto-focus camera providing sharp HD quality images that are easily viewed on its full color, 5-inch LCD screen. The screen tilts up for easy reading on the page with continuous zoom from 2x to 14x.

8

Explore 5 Video Magnifier SKU: MAG-080-220-6090

\$799

Ease of use and outstanding ergonomics make the explorē 5 the device of choice for active people looking for an electronic magnifier they can take everywhere they go. The large, bright buttons are intuitive and simple, and its key features are designed to help in every situation.

9

Visolux 7" HD Video Magnifier SKU: MAG-080-220-6091

\$1,145

The Visolux Digital HD combines modern technology with intuitive operation and provides the ultimate reading comfort. This advanced video magnifier features an extra-large 7" LCD screen with anti-glare coating, an HD camera, built-in stand, and many other features, all at a competitive price!

Video Magnifiers

10

Explore 8 Portable Video Magnifier SKU: MAG-080-300-6090

\$1,399

The explorē 8, a Touchscreen HD handheld magnifier for active people who prefer a large screen but still want maximum portability. It is smaller, lighter and more affordable than most 7" magnifiers on the market while providing a screen more than 30% larger, designed to make life easier—and a whole lot clearer.

11

Compact 10 HD Portable Video Magnifier SKU: MAG-080-220-6093

\$1,295

The Compact 10 HD is an ideal solution to magnify and read newspapers, letters, and magazines. It's unique swing-out arm opens a whole new range of possibilities. With the arm unfolded, you can easily look at photos, view medicine packaging, and even read round cans, without being restricted in your movements. The arm even allows you to write your signature and finish crossword puzzles.

12

Visolux 12" XL FHD Video Magnifier SKU: MAG-080-220-6092

\$1,795

The Visolux Digital XL FHD is an advanced portable video magnifier that features a 12" TFT LCD display with touch screen interface an FHD camera, built-in stand, and many other features! The device's unique Dynamic Line Scrolling (DLS) feature allows the user to scroll both horizontally and vertically when on the higher magnification levels without having to move the device.

13

Traveller HD SKU: TEC-102-300-3220

\$1,995

The Traveller HD allows you to comfortably read letters, newspapers and other materials at the dining table, in bed, or in your favorite chair. Wherever you are, at home, in the office, at school or on holiday, the Traveller HD is your ideal light weight reading companion. Order the reading stand as well, which allows you to read thicker reading materials with the Traveller HD (TEC-101-000-0108 - \$150)

Video Magnifiers

14

Clear View Go 15"

SKU: TEC-102-600-2200

\$3,295

With ClearView GO, you will enjoy a crisp, clear, full HD image on the 15.6" screen. The ClearView GO has a convenient 3-in-1 rotatable camera that allows you to magnify text and objects up close, in the distance, and even to look at yourself.

15

Vario Digital 16" FHD

SKU: TEC-102-450-3200

\$3,325

The Vario Digital FHD Advanced is a foldable desktop video magnifier with outstanding image quality, compact design and customizable settings. Like the Vario Digital FHD, it features a 15.6" Full HD monitor with 1.3x - 45x magnification and an FHD camera that provides a true color image with a wide field of view.

16

Reveal 16 with Battery

SKU: TEC-102-450-3000

\$3,995

Reveal 16 is an intuitive, easy to use and foldable digital magnifier that offers an unmatched crisp, and crystal-clear image quality thanks to its 10x optical zoom camera. Designed for seniors and students, to read documents, textbooks and newspapers as well as to write down notes. Reveal 16 also allows you to view distant objects like an artwork, your own backyard or even the whiteboard.

17

ClearView Go 17"

SKU: TEC-102-700-2200

\$3,495

With ClearView GO, you will enjoy a crisp, clear, full HD image on the 17.3" screen. ClearView GO offers the same reading comfort, ease of use, and functionality as a desktop video magnifier, but in a compact and foldable design.

Canes

Interested in purchasing a white cane? CNIB Shop is home to a large assortment of canes for people of all ages and levels of mobility. We also carry the most commonly needed spare parts and accessories. Visit cnibsmartlife.ca or call **1-866-659-1843** to browse our canes and accessories or learn more.

If you are not a white cane user but believe a cane could help you, please contact your local CNIB office directly or call the CNIB Contact Centre at **1-866-659-1843** to speak with a CNIB service specialist.

22

WeWalk Smart Cane 54in **SKU: CAN-700-000-0000**

\$795

WeWALK acts as a new handle when attached to any long cane and was designed to feel natural, allowing for normal cane usage. When walking, WeWALK vibrates to inform you of low-hanging obstacles that the bottom of a cane may typically miss, such as a sign or tree branch. Additionally, pair your cane to the WeWALK app on your iOS or Android device via Bluetooth to make use of WeWALK's smart features.

Clocks and Watches

23

Talking Pyramid Alarm Clock

SKU: TIM-230-320-3019

Terms of sale

Prices and specifications

All prices, descriptions and shipping charges were accurate at the time of publication but are subject to change without notice.

Returns

Most items can be returned with invoice or packing slip for credit or refund within 30 days of sale. Shipping charges are non-refundable and items used directly with the body (e.g., eye dropper) cannot be returned unless defective.

Warranty and repair service

Products requiring repair or service under warranty should be returned to the manufacturer. Call **1-866-659-1843** for warranty and repair assistance.

Warranty coverage

Modifying a product will void the warranty. CNIB will repair or replace a defective product.

CNIB

SMARTLIFE

Explore SmartLife Tech @ Home

Every Canadian with sight loss has the right to access accessible technology. Living far away from local SmartLife centers or restrictions on mobility may present a significant challenge.

Improving Access to Accessible Technology

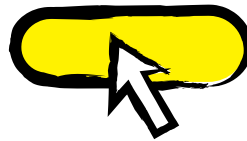

CNIB SmartLife brings the showroom to you. The **SmartLife Tech @ Home program** allows participants to test cutting-edge accessible devices from the comfort of their own homes. Our unique mission is to improve access and positively impact the well-being of all Canadians living with sight loss.

How it works

1 Needs Assessment

Connect with a SmartLife Coach on the phone or virtually to discuss the products that meet your needs and fit your lifestyle.

2 Book Trial

Complete a loan agreement and pay your security deposit.

3 Explore & Evaluate

Enjoy a 1:1 coaching session with a SmartLife Coach and start exploring your new products anywhere, and everywhere.

4 Get your New Product

Return your demo and we'll ship you a brand-new product.

1.5 Million

Canadians identify as having sight loss (Canadian Survey on Disabilities, 2017)

67% say their sight

loss impacts their daily activities often or always (SmartLife Survey data, 2021)

80% of technology

users consider them to have daily positive impact (SmartLife Survey data 2021)

54.9% of Canadians

with sight loss identified as receiving help with daily activities (Canadian Survey on Disabilities, 2017)

CNIB

SMARTLIFE

Accessible Technology at your Fingertips

SmartLife Tech @ Home is designed to offer the best user experience by providing an opportunity for participants to test accessible devices from the comfort of their own homes.

Who is it for and what products are included?

Anyone living with sight loss that would like to try innovative products such as:

- Digital Handheld Magnifiers
- Sight Enhancement / Sight Substitution Technology
- More coming soon

Why choose SmartLife Tech @ Home ?

SmartLife Tech@Home is an interactive retail experience like no other. What makes us different?

- 1 Try products risk free, and from the comfort of your own home
- 2 Our experienced and knowledgeable SmartLife Coaches will help you try multiple devices
- 3 Exclusive products from the most innovative retailers in accessible technology
- 4 No need to plan a trip to the nearest SmartLife location
- 5 We invest all our proceeds back into CNIB to help provide life-changing programs for people with sight loss

“ I was sent the Explore 5 and within two days I knew this is the device for me. It is smaller and easier to use when I am shopping and fits into my purse. I couldn't be more pleased with my new product. ”

Beverly H
Blind or low-vision user

“ I recently purchased Vision Buddy. I can now watch football, hockey, and other shows and actually see who the people are. I received excellent customer service, and it has made a big difference in my viewing pleasure. ”

Bob C
Blind or low-vision user
