Normal Time

Alarm On/Off Setting:

- Press 'Mode' under normal time display to set either 'alarm on' or 'alarm off'.

Alarm Sound Setting:

- Press 'Mode' to enter 'Alarm Sound' setting mode (you will hear the current alarm sound). Press 'Set' to choose between the 3 following sounds: Dong Dong, Rooster or Beep Beep.

Alarm Time Setting:

- Press 'Mode' to enter 'Alarm Hour Setting' mode then press 'Set' to set the alarm hour.

- Press 'Mode' to enter 'Alarm Minute Setting' mode then press 'Set' to set the alarm minutes.

Calendar Setting:

- Press 'Mode' to enter 'Year Setting' mode then press 'Set' to set the year.
- Press 'Mode' to enter the 'Month Setting' mode then press 'Set' to set the month.
- Press 'Mode' to enter the 'Date Setting' mode then press 'Set' to set the date.

Time Setting:

- Press 'Mode' to enter the 'Time Hour Setting' mode then press 'Set' to set the hour.
- Press 'Mode' to enter the 'Time Minutes Setting' mode then press 'Set' to set the minutes.

12/24 Hour Setting:

- Press 'Mode' to enter the '12/24 setting' mode then press 'Set' to select 12 or 24 hours.

Count down Timer Setting:

- Press 'Mode' to enter the 'Count down Timer Hour Setting' mode then press 'Set' to set the hours.
- Press 'Mode' to enter the 'Count down Timer Minutes Setting' mode then press 'Set' to select the minutes.
- Press the 'Calendar' button to activate the countdown timer. When the timer is on and the count down is in progress, press 'Calendar' and it will stop and report the remaining time. Press 'Calendar' again to resume the countdown timer. When the countdown timer is off, press 'Set' to reset the countdown timer.
- Press the 'Time' button to announce the remaining count down time.
- Press the 'Date' button to stop the timer anytime and resume it when you press it again.
- When the countdown reaches the last 10 seconds, it will begin to verbally count down from 9 and then it will sound a "Beep Beep" followed by 0 hours and 0 minute.
- Press any button to stop the "Beep Beep" sound.

Count Up Timer Setting:

- Press the 'Calendar' button to start the count up timer.
- Press 'Time' to announce the current count up time.
- Press 'Calendar' again to stop the timer.
