

# QUARANTINE

COMING  
SOON

Debut 12"  
Agony

Q: From my understanding, **DAMAGE UNITED** is your label - is that correct? Do you have any other releases planned aside from the **AGONY**?

Jack: Yea **DAMAGE UNITED** is me, I started it solely to release the **QUARANTINE** demo and LP but I wouldn't be opposed to releasing other projects. I've talked loosely with a couple of friend's bands but haven't nailed anything down yet. Whatever **QUARANTINE** does next will be on **DU**.

Q: Did you record more songs in the same session that do not appear on the LP?

Jack: Nah, there were a couple of songs I decided didn't make the cut but we never recorded them.

Q: Can you tell me what the weird tracks are about in between the hardcore tracks?

Jack: The interlude between "*Mouth Off*" and "*Tired of You*" is more or less a reflection on the pandemic we're all experiencing. The music itself I wrote maybe 10 years ago. I have all these little dumb songs that I play over and over and over again that I never know what to do with. The words are ones that kept bouncing around in my head on a loop at the beginning of the pandemic, a psychotic backdrop to realizing we're all fucked. The interlude after "*Self Ashamed*" on the B-side is a **JERRY'S KIDS** cover that I manifested under the influence of a lot of **MDMA**.

Q: How many copies are you pressing?

Jack: 500, maybe a repress later? We'll see how it goes.

Q: **LVEUM** is doing the European release, do you know how many they are pressing?

Jack: 500 as well, the record should be out from both labels October 8th, 2021.

Q: Does **QUARANTINE** have any current plans to gig or record?

Jack: As of now we only have three gigs planned, Nov.12th in Philly is our record release with **SCARECROW** and **ICD-10**. November 19th and 20th we head to the U.K. to play **Damage is Done** fest with a bunch of bands. While we are in the U.K. we are going to record with **Jonah Falco** for a 7" at his studio there. Should be a cool time.

Q: Alright, I'm about out of space. I can't thank you enough for your interest in the interview! It has been a blast to chat. Is there anything else you would like to add?

Jack: Thank you for the interview, the whole experience was a pleasure. Shoutout to the **SORRY STATE RECORDS** family for being so kind to us and having a sick operation.
