# Symprove

Water-based food supplement  
with live and active bacteria

## Daily Essential

● **Mango and  
Passion Fruit Flavour**

### Instructions

Shake bottle gently before use.  
Take 70ml of Symprove every morning  
**10 minutes before you eat or drink.**  
Designed to deliver approximately 10 billion  
colony forming units (CFUs) per 70ml.  
Food supplements should not be used  
as a substitute for a balanced and varied diet.  
Do not exceed the recommended daily dose.

**500ml**

### Storage

Store in a cool, dry place out of the reach  
of children. Once opened, keep in the  
fridge and consume within 10 days.  
**Please do not heat or freeze as you  
may damage the live and active bacteria.**  
Colour may naturally change over time.  
This does not affect the quality of the  
product.
