

Firearm Safety

around the little ones

Steps to teach your child what to do if he/she finds a gun.

1

Stop

Stopping allows your child to remember what you've taught them and react responsibly.

2

Don't Touch

A firearm that is untouched is unlikely to be fired and to endanger your child and others.

3

Walk Away

Walking away allows the child to find help and not touch the firearm.

4

Tell an Adult

Children should look for a parentm guardian or a trustworthy adult who is available.
