hue personal wireless lighting

Light your home **smarter**

Light your home **smarter**

There is more to lighting than illumination. Therefore, we created Philips Hue, your personal wireless lighting system. A simple product built around you, designed for your everyday life, your home and all its potential.

Life is what you make of it. So go on. Play around. Explore. Feel the control but let go every once in a while. Turn on your life with Hue.

White and color ambiance

Limitless possibilities

Turn your everyday lighting into an extraordinary experience. Play with colors or sync lights with your music, TV and games for an immersive experience.

With Philips Hue you can transform your home and paint your walls with light. You can save your favourite scenes and recall them any time at the tap of a finger.

Turn any room into a dance floor by syncing light to your favourite music. Extend your TV experience or enhance your gaming experience with immersive light effects.

Just download one of the many Apps developed for Philips Hue.

Semeru collection

Light your home smarter

The Semeru lighting experience takes qualities that a spectrum delivers, and caters to your spaces in a natural way. Its contemporary design is pleasing to the eyes, with smooth curves that are simple but premium.

Its halo shape is modern yet uplifting, with a hidden surprise of ambient colors illuminating around the ring. This adds to the moments you have at home with loved ones, providing a delicate ambiance, while making treasured memories to last a lifetime.

Semeru ceiling light

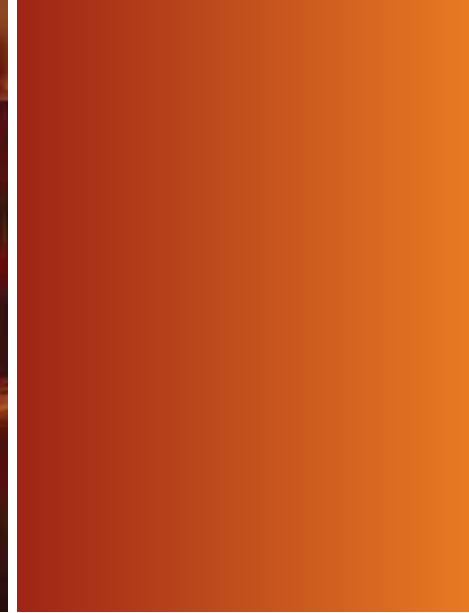

Premium finish with metal frame, Semeru ceiling light offers real life lighting experiences that range from sunset to sunrise.

Designed to maximize light effect, its functional downward light provides sufficient brightness for your daily routines with shades of white ranging from warm white to cool bright daylight. In addition, ambient light from the side ring creates subtle contrast, changing colors along with the light downwards.

Features

- LED integrated 52W
- 2200K - 6500K cool daylight to warm white light
- System lumen: 2400 lumen
- Connect ready: Hue Dimmer Switch included

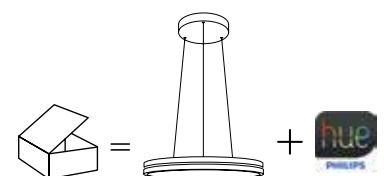

Semeru pendant light

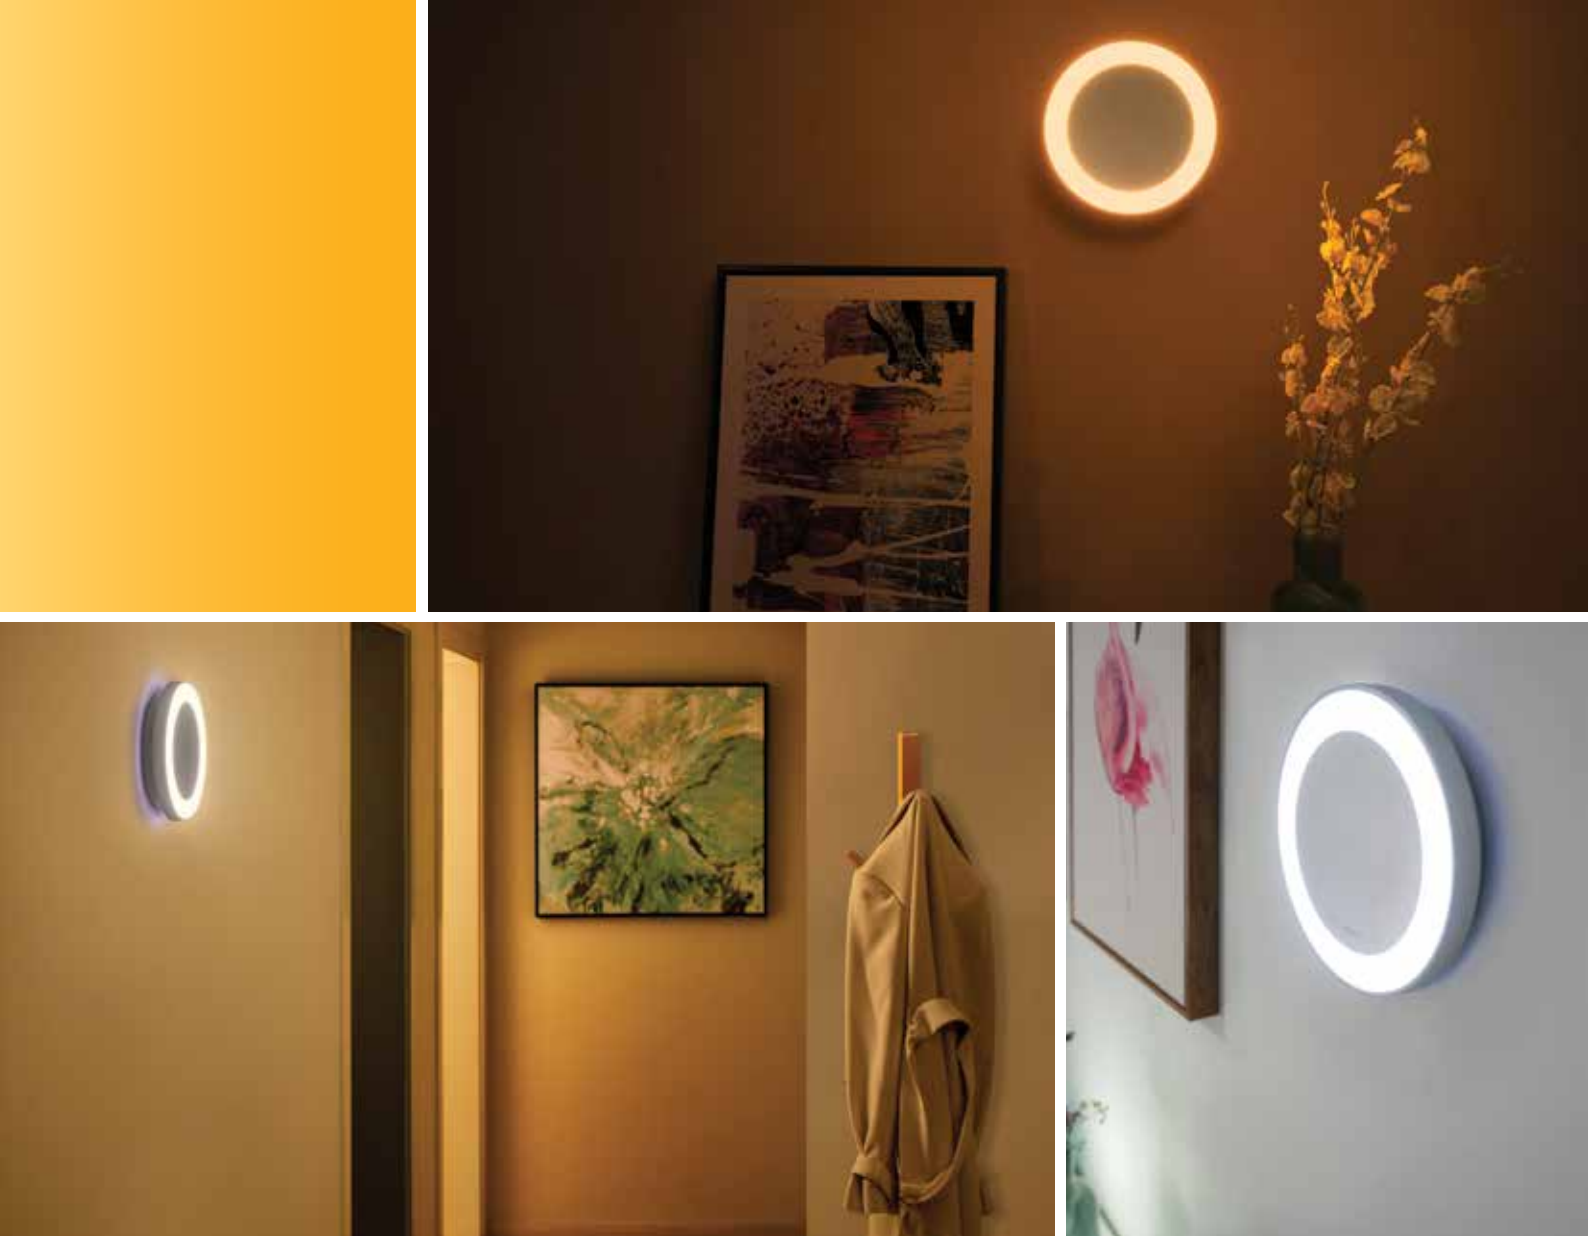

Part of a coherent collection of contemporary styled luminaires, Semeru pendant light offers an optimal Hue lighting experience supporting applications through the home.

Perform daily tasks, dine in style or enjoy delicate ambiance that adds to the moments you have at home with loved ones making treasured memories last a lifetime.

Features

- LED integrated 52W
- 2200K - 6500K cool daylight to warm white light
- System lumen: 2400 lumen
- Ambient side light

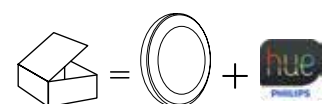

Semeru wall light

Contemporary design which is pleasing to the eyes, Semeru wall light has matt finish and comes with a quality diffuser for soft and even light.

Enjoy four pre-set light recipes and shades of white to support your daily routines along with an enriching yet subtle wall washing effect.

Features

- LED integrated 18.5W
- System lumen: 400 lumen
- 2200K - 6500K cool daylight to warm white light
- Subtle wall washer effect

Hue white ambiance **Adore products**

The pace of life is not slowing down, so taking care of yourself is more important than ever. This could mean relaxing in a bubble bath, helping you unwind from a busy day. Or it could mean starting the day right, with a spring in your step. Lighting makes all the difference. With Philips Hue white ambiance lighting collection, whether you want to get energized for the day ahead, or relax and unwind, you can now transform your bathroom in an instant.

Start the day with a cool white light that helps you feel energized and prepare for the day ahead. Recreate the salon experience in your own home with concentrate, a finely tuned bright white light for beard trimming or applying make-up. After a busy day, enjoy a soak in the tub, with the Read light recipe providing the perfect soft light for indulging your favorite magazine. Or if you're going out for the evening, use this light to mimic the evening setting to help with putting the final touches to your outfit and overall look. With our dimmable solution, you can easily transform the bathroom to suit your mood and need at that moment.

Adore ceiling light

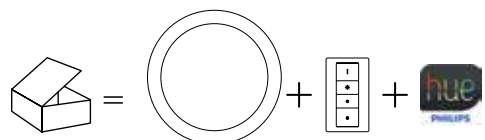

Adore bathroom ceiling light is perfect for general lighting purposes to illuminate the bathroom. Include this light and conveniently illuminate your bathroom space, using predefined light recipes to create the right ambiance for your moments.
