CYFAN Series

Item# CDC-105S-037 240V

CYFAN 10 ft Standing 5-Blade Silver Gray Neodymium Magnet Direct-Drive Motor Fan with Integrated Controller.

Equipped with a dependable, high-efficiency, and ultra quiet Neodymium Magnet Direct-Drive motor. CYFAN stands as a premium fan in the realm of today's high-tech fans.

DC Motor:

- IP65-Rated protection level for indoor and outdoor use.
- Maximum Wattage: 0.37KW
- Maximum Motor Speed: 120 RPM
- Maximum Airflow: 141,200 CFM
- Mode: Forward and Reverse
- Frequency: 50/60Hz
- Noise Level: 38 dB
- Voltage: 240V

Blades:

- Material: Aluminum-Magnesium Alloy
- Number of Blades: 5
- Blade Length: 52.8"
- Blade Width: 6.8"

Stand Rod:

- 98.4" (Standard Length)

Certification:

- ETL Certified

Location:

- Indoor/Outdoor Use

136"	11.4"
Height (Highest point)	Width (Housing)

Light Kit:

- None

Control:

- SPI Communication Control (With Wire)

Color:

- Motor: Silver gray
- Blade: Silver gray

Coverage Area:

- 2,691 sq ft.

Product Size (Assembled):

- Assembled with 98.4" Stand Rod
136" H x 118" W x 118" D

Shipping Information:

- Motor Box:
Box Weight (G.W.): 156.5 lb
Size: 22.8" H x 23.2" W x 23.2" D
- Blade Box:
Box Weight (G.W.): 46.3 lb
Box Size: 7.1" H x 57.5" W x 8.7" D
- Stand Rod Box:
Box Weight (G.W.): 158.7 lb
Box Size: 14.6" H x 98.5" W x 14.6" D

Warranty:

- Motor: 3 Years Manufacturer Warranty
- Others: 1 Year Manufacturer Warranty

MAKANI Series

Item# CDC-125S-037 240V

MAKANI 12 ft 5-Blade Industrial Fan with Wall Control.

Equipped with a dependable, high-efficient, and ultra quiet Neodymium Magnet Direct-Drive motor. MAKANI stands as a premium fan in the realm of today's high-tech fans.

DC Motor:

- Maximum Wattage: 0.37 KW
- Maximum Motor Speed: 100 RPM
- Maximum Airflow: 176,500 CFM
- Mode: Forward and Reverse
- Frequency: 50/60Hz
- Noise Level: 38 dB
- Voltage: 240V

Blades:

- Material: Aluminum-Magnesium Alloy
- Number of Blades: 5
- Blade Length: 68.3"
- Blade Width: 6.5"

Downrod:

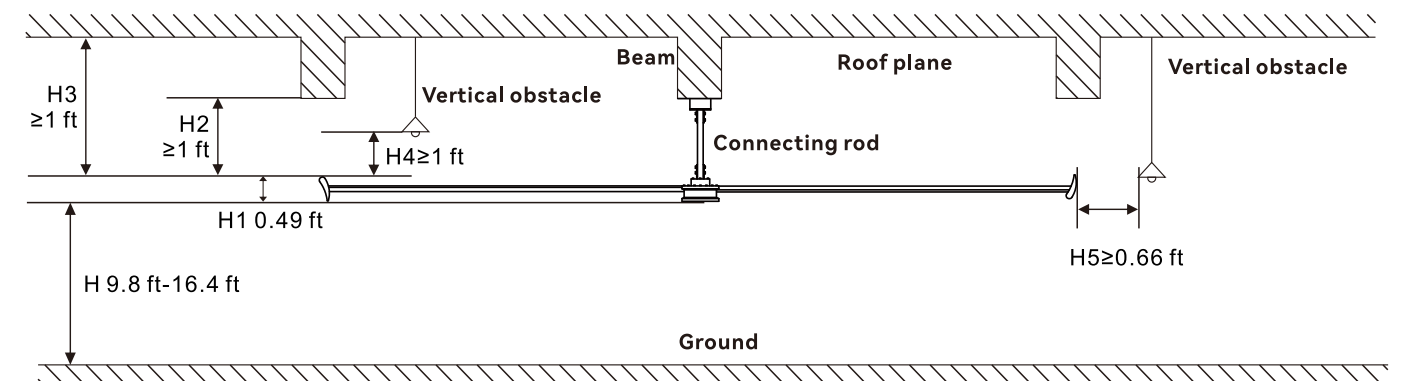

- 23.6" H x 2.4" W x 2.4" D (Standard Length) (Additional downrod lengths available)
39.4", 59", and 78.7"

Location:

- Damp Rated (Suitable for outdoor covered areas)

34.1" 11.4" 29.7"

Height (Lowest point) Width (Housing) Height (Top of blade)

Certification:

- ETL Certified

Light Kit:

- None

Control:

- F1110-A Controller (IP54)

Color:

- Motor: Silver
- Blade: Silver

Coverage Area:

- 4,090 sq ft.

Product Size (Assembled):

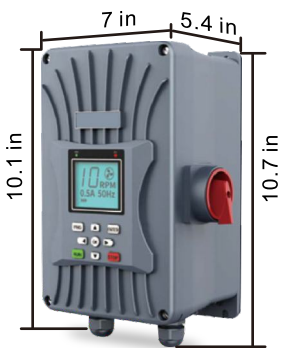

- Assembled with 23.6" downrod:
34.1" H x 146" W x 146" D

Shipping Information:

- Motor Box (Downrod included):
Box Weight (G.W.): 132.3 lb
Size: 20.7" H x 23.2" W x 23.2" D
- Blade Box:
Box Weight (G.W.): 57.3 lb
Box Size: 7.1" H x 70.9" W x 8.7" D

Warranty:

- Motor: 3 Years Manufacturer Warranty
- Others: 1 Year Manufacturer Warranty

MAKANI Series

Item# CDC-165S-075 240V

MAKANI 16 ft 5-Blade Industrial Fan with Wall Control.

Equipped with a dependable, high-efficient, and ultra quiet Neodymium Magnet Direct-Drive motor. MAKANI stands as a premium fan in the realm of today's high-tech fans.

DC Motor:

- Maximum Wattage: 0.75 KW
- Maximum Motor Speed: 80 RPM
- Maximum Airflow: 353,000 CFM
- Mode: Forward and Reverse
- Frequency: 50/60Hz
- Noise Level: 38 dB
- Voltage: 240V

Blades:

- Material: Aluminum-Magnesium Alloy
- Number of Blades: 5
- Blade Length: 93.9"
- Blade Width: 6.5"

Downrod:

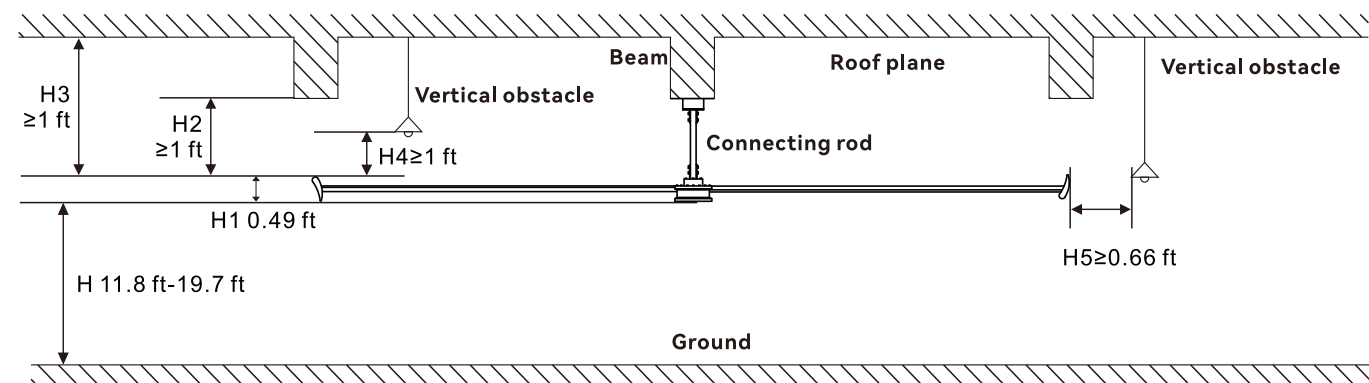

- 23.6" H x 2.4" W x 2.4" D (Standard Length)
(Additional downrod lengths available)
