## MOONLIGHT GREY WITH WHITE BAND

## MOONLIGHT GREY AQUA

The colour of the ocean is captured perfectly in **Moonlight Grey Aqua**, combining the matt grey glaze of **Moonlight** with a shiny aqua blue reactive glaze to stunning effect.

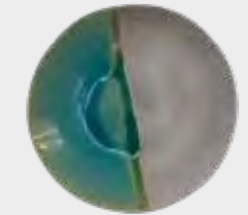

The aqua glaze runs across one half of the piece creating a contrasting design. The pooling of the glaze in the centre of the piece and the way it casually drips down the side makes every piece unique.

Available in 4 key items to be mixed with **Moonlight Grey**.

## MIDNIGHT BLACK

The intensity of the darkness of the night sky is depicted in the glaze and design of **Midnight Black**, available across a range of items.

The depth and richness of colour combined with the subtle reactive finish on the matt glaze give the range its individuality.

Black has long had a reputation for enhancing the vibrant colours of the food and it is achieved here to great effect.

Embossed plates and bowls with a fluted edge frame the food and create a real wow factor for the customer.

## LUNA

The beauty of **Luna** is in the simplicity of this elegant design inspired by the celestial light of the moon. A subtle and neutral canvas that enables the chef to tell a story, allowing the food to take centre stage and the colours of the food to really shine.

A classic design in a smooth, shiny white glaze with a contrasting matt grey rough stone finish combining a classic and rustic look. Added value is also achieved through the textured embossment on the outside of the bowls and cups and on the inside of some of the dishes.

An extensive range of items are available to be used across all parts of the dining experience including plates, bowls, oval dishes and cups and saucers.

## OLIVE

Inspired by the sunny olive groves of the Mediterranean the **Olive** collection has a subtle colour palette which exudes warmth and character.

A casual collection enhanced by a stunning textural glaze quality that is different across every item.

The shapes are casual yet refined, including straight sided plates and bowls, organic shaped saucers and milk jugs all adding to the individuality of the collection.

**Olive** is available as a more extensive collection to be mix and matched with other colour options to create an inspired and individual look.

## AZUL

Azul is a rich blue glaze with a shinier finish inspired by the colour and depth of the ocean. The qualities of the reactive glaze produce many subtle colour variants both dark and light which adds to the character of the items.

The casual feel of the design is further enhanced by the embossed concentric lines which move across each piece. Available as a small collection to be mix and matched with the other colourways for optimum effect.

## Obsession for the hospitality market

Unique glazes, stunning colours and on trend shapes have been combined to create the Obsession range of products.

Made from stoneware and porcelain which is a blend of carefully selected and prepared quality raw materials which are then fired to a high temperature.

High temperature firing gives the product its vitreous quality and allows you to achieve the stunning colours and glaze effects.

The glaze effects and techniques used across Obsession such as the matt finishes, mottled textures and speckles all add to the authenticity of the product and its suitability as a gourmet landscape.

A wide selection of innovative shapes have been designed and created to cater to all different types of food presentation – fine dining, casual and sharing dishes, pan Asian, Levantine cuisine and desserts.

All products are dishwasher and microwave safe.

\* Please note that due to the individual hand spraying of each item, natural variation will occur to the glaze effect and colour during the firing process.

“OBSESSION IS BEAUTIFUL.  
IT’S WHAT MAKES ART”
