1. J.Lin Swim is the realization of the idea that simplicity is the ultimate sophistication. Featuring an original print by Paraguayan artist Cachó Falcon. Crafted with fast-dry material and built-in mesh liner. Available at www.jlinswim.com **2.** In 1955, Minneapolis-based Munsingwear® - an underwear and military supply company - ironically became the touchstone of suburban sport with the introduction of the first iconic golf shirt to America. Known for its unique and detail-oriented clothing, **Original Penguin** offers a full lifestyle range of products. **3. Chimi** is a unisex eyewear brand based in Stockholm, Sweden. They make colourful sunglasses in classic shapes. Tone on tone is their hallmark, and the brand aims to make their high-quality designs affordable so that customers can buy multiple colours to perfectly match all their outfits. Shop the collection at www.chimieyewear.com **4. Bermies** is a fresh line of men's swimwear, born in Bermuda and built on a love for water and the outdoors. Made from the highest-quality fabrics in swimwear Bermies celebrate your confidence, in style and comfort. Their designs present a sense of class and coolness to them with patterns such as sharks, turtles, sailboats, sea rays and many more. They donate 10% of their profits to clean up the oceans and you can check them out at www.bermies.com or [@bermies](https://www.instagram.com/bermies) on Instagram. **5.** Handmade with meticulous attention to detail, the Marina photographic print swim shorts are the highlight of **Prince and Bond's** inaugural collection. Captured by the ever talented King Lawrence, these yachts docked in a harbor in Port Aransas, Texas, are reminiscent of the essence of summer. Visit www.princeandbond.com **6.** The **Kilsgaard Eyewear** line is a tribute to the classics. By classics Kilsgaard means what's eternally cool - a reinterpretation of the original idea, maintaining the essential DNA. The Kilsgaard acetate frames are handmade in Japan, embedded with an 18k gold logo and impeccable quality mineral sun lenses with anti-reflective coating. Visit www.kilsgaard-eyewear.com **7. Redland.** This holdall is made by Redland London who are a style conscious London label. Their latest collaboration with the world renowned authority on colour Pantone brings an exciting collection of travel bags and backpacks and is available in 8 vibrant colours. Purchase now at www.redlandlondon.com RRP £55. **8.** Australian swimwear label **Nordical** has anchored on English shores with its new line of "tailored fit" trunks. With a mix of Scandinavian and Australian design comes a rugged yet sophisticated swim short that will handle the roughest of seas whilst also turning heads on the beach! Forged for the modern day Viking! Visit www.nordical.com.au **9. Fans Sunglasses.** Tenerife is known internationally as the "Island of Eternal Spring", the perfect place to create and draw sunglasses combining ecofriendly materials and polarized lenses, from €29.90. For more information visit www.fanssunglasses.com **10.** The designers at **Retromarine New York** sing you the Geometric Blues. A classy and clean swimwear collection, featuring playful blue, white, and cream geometric patterns, on their water defying fabrics. A must have in the closet of every retro man. Visit them at retromarine.nyc or Fenwick Bond St.
