

Product: SONAX Profiline PlasticCare

Article Code: 0205 4050/5000/7050/9000

Formula Code: 2050 0018

Product Description: Plastic care for the professional user. Freshens up colors, gives a

basic shine and removes dull spots and scratches. Conserves all plastics in vehicle interiors. Optimum engine bay conservation. Solvent free. Easily applied directly after the engine wash. Can also

be used on the vehicle exterior.

Directions for Use: - When used in the engine bay, spray evenly onto the wet engine

directly after the engine wash. Excess water in cavities and on the ignition system should first be blown away with compressed air.

- For interior plastics spray into a microfiber pad for plastics and apply

thinly.

Please Note:

- For long lasting protection of external parts we recommend SONAX ProfiLine Plastic protectant exterior.

- Do not apply in direct sunlight or onto warm surfaces.

- Protect against extreme cold.

Chemical Classification: Aqueous emulsion of silicone oils

Specific Data: Appearance: White fluid

Density: 0.99 - 1.00 g/ml Viscosity: 10 - 12 s pH: 9.0 - 10.0

Packaging: 1Litre PE/PA bottle (0205 4050)

5 litre PE canister (0205 5000) 25 litre PE canister (0205 7050) 200 litre PE drum (0205 9000)

Safety Data: See safety data sheet
