

Product: SONAX Rim Cleaner Limit

Article No: 0230 5000
Formula No: 2312 0792

Product description: Special cleaner for stubborn dirt such as burned-in brake dust, oil and other road dirt on steel and alloy wheel rims.
A change of color from clear to red indicates the operation.
It is acid free and does not affect rims, wheel nuts and bolts.

Application:

- fill product into spray vaporizer
- spray onto the wheel rims from a close distance
- leave to work for 2 to 4 minutes, the color changes into red
- clean particularly heavy dirt with a soft brush
- finally rinse with a strong water jet or a special high-pressure spray

Please note:

- do not apply in direct sun or on hot wheels and do not allow to dry on
- protect against frost
- the unusual scent of the product is typical

Composition: aqueous neutral cleaner with amphoteric surfactants and sequestrants

Specific data:

Appearance:	opaque liquid
Density:	1.07 – 1.08 g/ml
Viscosity :	13 – 20 s (Ford cup 4mm)
pH:	6.0 – 7.0

Packaging: PE canister 5l (0230 5000)

Safety data: See safety data sheet
