

Product: SONAX Textile & leather brush

Article Code: 416 741

Formula Code: ---

Product Description: Handy and durable brush for cleaning textiles and smooth leather. Intensifies the working effect of cleaners. The soft bristles are very gentle on materials and will not roughen up sensitive surfaces. Ideal for use in combination with the special SONAX Upholstery /textile and leather care products.

Directions for Use:

- Apply the cleaning product
- Massage in along the grain of the fibre applying slight pressure
- Afterwards remove the dirt and cleaner residue with a damp microfibre cloth
- After the application, wash out the brush with warm water and allow to dry
