

**Product:** SONAX Polishing cloths

**Article number:** 422 200

**Formula Code:** ---

**Product Description:** Extremely soft polishing cloth for sparkling results, gentle to the paintwork, leaves no scratches.  
The soft-fluffy SONAX Polishing cloth is gentle on paintwork, leaves no scratches and retains its high quality even when used with solvents.

**Direction for Use:** -First apply paintwork care products evenly with e.g. a SONAX Application sponge.  
-Afterwards polish to a deep shine with SONAX Polishing cloth.  
When the cloth becomes saturated use a new one.
