

Product: SONAX Microfibre Drying Cloth

Article Code: 450 800

Formula Code: ---

Product Description: The large format drying cloth for professional, time saving and easy drying of vehicles. High grade, extremely dense and extra soft drying cloth with exceptional water absorption power. Leaves no scratches or wiping marks on the paintwork. Washable.

Directions for Use:

- Spread out the cloth over the paintwork surface
- Take hold of two corners of the cloth and pull over the washed, still wet vehicle
- Turn the cloth over and wipe off again
- Thoroughly wring out the cloth between treatments

Care Instructions:

Washable up to 60°C. Wash separately. No conditioner. Not suitable for tumble drying.
