Our new eco-friendly pet wipes are FSC Certified, the gold standard in ethical production. The oversized (7" x 8") Unscented Pet Wipes quickly clean and remove dirt & odors, and are safe for all pets. The gentle formula includes Aloe Leaf Extract, a topical anti-inflammatory that helps heal and soothe skin, Calendula to moisturize and speed healing, and Chamomile to hydrate skin and reduce itching and inflammation.

FSC Certified is the top source for ethically and sustainably sourced paper products.
