**OLVIPET DENTABARS**

DentaBars are a dental treat produced in an optimal shape and texture for fresh breath and clean teeth available in sizes for small, medium and large dogs. The OlviPet line contains quality ingredients including cold pressed olive oil, sourced from the Mediterranean Island of Crete. The unique blend of extra virgin olive oil, chia seeds and pumpkin seeds provides an optimal blend of Omega-3 and -6 fatty acids.

**VETRISCIENCE PERIO PLUS FELINE BITES**

Perio Plus Feline Bites are designed with two delicious layers to support daily dental health in cats. The outer layer of the chew promotes clean teeth, plaque control, and fresh breath. The inner core supports overall oral health, including gum tissue integrity and fresh breath. Even picky cats love these tasty chicken-flavored chews that support dental health between veterinary cleanings.

**ORGANIC DENTAL SOLUTIONS**

The Organic Dental Solutions Bamboo Dental Kits is your perfect pet dental essential. The USDA-certified organic kits feature an eco-friendly, sustainably harvested moso bamboo toothbrush. The biodegradable and anti-microbial handle is from one piece of naturally grown moso bamboo from a FSC Certified Forest. For improved grip, it is coated in organic soybean wax and free of toxic glues or paints and has ergonomic, dental-grade, nylon bristles that can be recycled.
