## **ITALIAN BAROQUE SCAGLIOLA PANEL ON PARCEL-GILT BAROQUE BASE**

the rectangular multi-toned panel depicting an architectural garden pavilion with centered vaulted portico giving onto a cypress lined allée, flanked by loggia and enclosed staircases, framed by figured marble patterned border with inset rounded corners; on giltwood stand of vigorously carved acanthus volutes forming leg base joined by similarly carved "H" stretchers and perimeter apron incorporating centered shells

The top - 17th Century - attributed to Giovanni Massa  
The base - assembled from mid 17th Century consoles

Overall dimensions: 76" long x 40" deep x 35" high
