Erik Höglund (1932-1998) - glass artisan

Gunnar Ander (1908 - 1976) architect - designer

(by Kosta Boda for Ystad Metall - Sweden Ystad Metall (later Scandia Present AB) was founded in Sweden in 1833 and went on to produce some of the most notable designs in bronze and brass home accessories of the twentieth century. Gunnar Ander (1908 - 1976) was a Swedish designer and architect. He worked alongside with Ystad Metall, where he designed wrought iron and other art objects. Ander's candelabras from the fifties elegantly captures the spirit of that time. He continued his work at Ystad Metall until his death in 1976.
