1970'S ITALIAN

BLUE-GREY AND WHITE GLASS TABLE

the circular section gently concave form tapering to rolled edge and molded and shaped inset top, tapering to straight flat foot; the interior in white glass
From a factory in the region of Vicenza, that was shuttered suddenly in the early 1970's and remained untouched till 2023, when the doors were opened. Inside revealed a small group of these tables in two styles, sitting on a shelf ready to be shipped before it closed. The pieces are in pristine condition.

Overall dimensions: 12" diameter x 16" high
