

STEP 1: Remove mattress from box.

STEP 2: Position mattress in your room.
Using Agility tool provided, cut and remove outer plastic wrapping, then unroll and unfold mattress.

STEP 3: Place unfolded mattress on base of your choosing.
Carefully cut and remove final layer of sealed plastic from mattress.

STEP 4: Get ready for a great night's sleep.
(It could take your Agility mattress 12–24 hours to resume its full size.)
