

The Rejuvenator

All-In-One Beauty System with Red LED Light Beauty Wand & Activating Lifting Collagen Boosting Serum

USER MANUAL

Please read this manual carefully before use and keep it properly for future reference

How to Use

Step 1—Remove the cap at the top end of the wand. Over clean skin, apply the serum over the face, neck, around the eyes, and other areas of concern. Let the serum absorb. Replace the Cap.

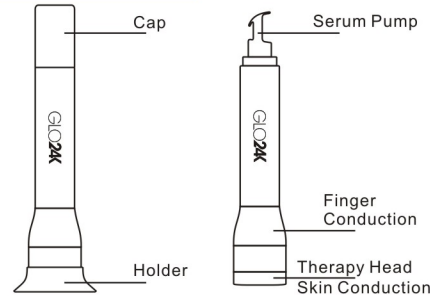

Step 2—apply a 5-10 minutes of Red LED Light Therapy and Vibration over the same areas of concern by gliding the other end of the wand. Note- this beauty tool operates on "touch" technology and will work only when you hold it (like a pen) where your fingers touch the Finger Conduction area (Rose Gold Area) and your skin is in touch with the Skin Conduction area - Rose Gold Ring at the end of the wand where the red light is. (see image below). Enjoy a youthful, revitalized appearance. Use as needed.

Notes:

- *For all skin types.
- *Recommended application 5-10 minutes at a time.
- *Battery operated - no charge needed.
- *Replace batteries when they deplete.
- *Serum container can be refilled at any time, if serum is out you can still use the tool for a light therapy.

TOOL OPERATES ON TOUCH TECHNOLOGY TO PRESERVE ENERGY. TO OPERATE YOU HAVE TO HAVE YOUR FINGERS TOUCH THE FINGER CONDUCTION AREA AND YOUR SKIN HAS TO TOUCH THE SKIN CONDUCTION AREA (END ROSE GOLD RING OF THE WAND WHERE THE RED LIGHT IS) - SEE IMAGE BELOW.
