The Intersection of Art + Design

A decade of style and design

Maison Pouenat

Founded in 1880, Maison Pouenat transforms metal into inspiring, contemporary artistic and iconic creations. Following in the traditions of decorative arts, Pouenat masters traditional and contemporary ironworking techniques with rich forms and innovative finishes in a contemporary spirit. The company collaborates with French and international designers to manufacture and exhibit one-of-a-kind pieces with exquisite finishes. With 140 years of history, Pouenat shares its core values of excellence, audacity and benevolence worldwide to inspire interior designers and collectors who share the same taste for high-quality work.
