## **Maison Pouenat**

Following in the traditions of French Decorative Arts, Maison Pouenat combines a perfect mastery of traditional decorative ironworking techniques with rich forms, innovative finishes in a contemporary spirit. Since the 1960s, it has expanded its classic ironworking activities into bespoke architectural design projects, and developed its first furniture and lighting collection.

Maison Pouenat manufactures pieces made in collaboration with great names in contemporary design. By presenting signed creations, limited to 48 pieces, it established itself as the first Edition Gallery in contemporary designs. Through each creation, its craftsmen are committed to perpetuating and reinventing the ancestral know-how. From the drawings to models, manufacturing to the decoration, Maison Pouenat offers a technical and artistic tailored made approach to give life to timeless artistic work.
