

Milk system cleaner

Mini tabs for making milk system cleaning solution

Mode of action

Alkaline cleaning tablets especially developed for JURA fully automatic coffee machines for thorough removal of milk fat and deposits. The formulation is tailored to use in JURA fully automatic coffee machines and ensures effective while gentle cleaning, thereby extending the life of your coffee machine. The Mini tabs can also be used in other fields e.g. for cleaning of manual milk frothers.

Packing units

Bottle à 90 g, Bottle à 90 g Refill pack

Bottle à 30 g

Bottle à 180 g, Bottle à 180 g Refill pack

Art. No.:

24158, 24157, 74469, 24211, 24212, 24221, 24220

Toxicological and ecological information

The product is classified as irritant, i.e. short, frequently or prolonged contact with eyes may cause inflammations. The product complies with the biodegradability criteria as laid down in Regulation (EC) No. 648/2004 on detergents.

Handling, storage and disposal considerations

Keep container tightly closed, protect against humidity, water and heat.

Waste code product: 20 01 29

Hazards identification

Warning

H319: Causes serious eye irritation.

P101: If medical advice is needed, have product container or label at hand.

P102: Keep out of reach of children.

P264: Wash hands thoroughly after handling.

P305+P351+P338: IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing.

P337+P313: If eye irritation persists: Get medical advice/attention.

P337+P313: If eye irritation persists: Get medical advice/attention.

First aid measures

In case of accident or if you feel unwell, seek medical advice immediately (show directions for use or safety data sheet if possible).

General information: No special measures required.

After inhalation: Supply fresh air.

After skin contact: Immediately rinse with water.

After eye contact: Rinse opened eye for several minutes under running water. Then consult a doctor.

After swallowing:

Rinse out mouth and then drink plenty of water.

Do not induce vomiting.

If symptoms persist, consult a doctor.
