22	48	122	39	99	50	127

**Bust:** For bust size measure around your chest at the fullest point of your bra cup. Make sure to go under your arms, not around them!

**Waist:** Measure around the smallest part of your waistline with one finger between your body and the measuring tape.

**Hip:** Stand with your heels together, keeping tape straight and parallel to the floor. Measure around the fullest part of your hips.
