THE EDGE PINOT NOIR 2017

Alcohol by volume:	12%
Total acid:	5.2g/L
pH:	3.65
Residual sugar:	<1g/L
Total dry extract:	24.7g/L
Closure:	Stelvin screw cap

100% Martinborough Pinot Noir, grown on the alluvial gravel terraces for which the district has become famous.

A cooler season allowed a more elegant expression inclining more towards the classic European model.

The flavours are more in the complex red berry spectrum combined with a soft textural mouth feel.

An immediately accessible wine, which will improve over the next 2 years. Enjoy with full flavoured fish dishes, any red meats or vegetarian plates.
