A linear and bright fruited pinot with sliced strawberry and orange peel character. Subtle and tight. Refined texture to it. Racy at the end. Needs two or three years to resolve the tannins and open. Drink after 2025. Screw cap.

Lighter color because of the fresher vintage. This is very crunchy and delicious with strawberries, citrus, and green flowers. Medium body. Fresh and real. So quaffable and satisfying. Drink or hold. Screw cap.

A very tannic and crunchy wine with cashmere texture and powerful structure. Rather muscular. Full body. Fantastic depth of fruit. Blackberry with some dried strawberry and orange peel. Needs three or four years to soften. Best after 2027. Screw cap.
