Will you look at that? It's Friday!!! We just found out yesterday that most of Utah are going to yellow! I can't tell you how happy that makes me! It truly is some celebrating! Right now, take a minute for yourself, sit back, relax and grab a Diet Coke because it's time for Kimberly's Friday Favorites!

Today is my anniversary! I have been married to this man for 39 years! Woah, that is a long time! I was 18 years old and he was a ripe age of 22 that I like and love him more today than I did when I married him! He's my partner in crime and helps me keep things real!
